Information about Hampton Academies Trust

The **Hampton Academies Trust** was formed in September 2014 when Hampton College became a convertor academy and formed a multi-academy trust. One of the drivers for conversion was to allow us to bid for other local opportunities. In September 2015 following a competitive bid process, we were named by Peterborough City Council and Cambridgeshire County Council as the preferred education provider for the new secondary school in the locality, Hampton Gardens.

The name of the trust reflects our local focus and we have no current plans to expand our operations beyond the Peterborough area. We are not a corporate MAT (and do not want to be) and neither are we part of a regional/national chain. Our vision is to retain our 'homegrown' status and manage our growth in a sustainable way. We believe that MAT working can be most successful when you concentrate on what you know best, in the community you are invested in.

Other Hampton Academies Trust Schools:

Hampton College Primary Phase

Below are the details for Hampton Gardens' Key Stage 3 provision.

Key Stage 3

Students have 25 one-hour lessons each week. The timetable is run over a one-week cycle and the allocations of time to subjects are:

National Curriculum Core Subjects

Year 7	3	3	3	1
Year 8	3	3	3	1
Year 9	3	3	3	1

Key Stage 4

In Year 10 students follow a two week timetable with 25 one-hour lessons a week. Their curriculum is made up of the core curriculum (Essential learning) and four option choices (Additional learning) which are selected during Year 9.

Core Learning

All students are taught a core programme which we refer to as Essential Learning. These are the subjects and skills that are statutory for all children aged 14-16, with the addition of English Literature, which is studied by everyone.

Core Learning comprises:

- English (GCSE)
- English Literature (GCSE)
- Mathematics (GCSE)
- Science (double award – 2x GCSE)
- Personal Development (PD)
- Religious Studies
- Physical Education (Core PE)

Additional Learning

We want our students to be committed to their subjects and so we allow them to choose the four subjects that make up their Additional Learning. Whilst we do give as much choice as possible, most students will be expected to take one EBacc subject from: History; Geography, Computer Science or a Modern Foreign Language (French or German).

We make every effort to ensure that students study the courses they opt for. Students can choose from a mixture of Vocational and GCSE courses with students being allowed to choose up to a maximum of 3 vocational choices.

The allocation of time to lessons over the two weeks is shown in the tables below:

Essential Learning: - 30 lessons a fortnight

	English/English Literature	Mathematics	Science	PD/RE	Core PE
Year 10 & 11	8	8	8	2	4

Additional Learning: - 20 lessons a fortnight

	Option 1	Option 2	Option 3	Option 4
Year 10 & 11	5	5	5	5

Key Stage 5

We offer a wide range of A Levels and BTEC Level 3 courses in our successful, inclusive Trust Sixth Form. We have 261 students in Key Stage 5 across our two sites. Around 90% of our Sixth Form students progress to Higher Education, with 24% going to Russell Group universities last year. The progress scores for our A-Level Sixth Form students across the Trust are regularly one of, if not the highest in the City and Region. Results last year put the Trust in the top 10% of the country for progress. Alongside academic success, most of our students take up student leadership roles and positions of responsibility within the school and the local community, ensuring that they leave Hampton Gardens as well-rounded young people, well-prepared for their journey into adulthood.
