	Staff work and meet regularly in teams across schools in the Trust and we hold an annual Strategic Planning Day, where each member of the Trust work together.
Sabbatical and Flexible Working Policies	<p>We have developed a unique sabbatical policy to support staff to develop their interests. For some, this has been to develop professionally, whilst others have taken this time to experience travel with their family. See our policy for further details.</p> <p>Flexible working arrangements are also promoted across the Trust where possible, to enable our staff to manage their work life and family commitments.</p>
Strong Induction Process	It is important to us that every member of staff has the right start to working in our Trust. The importance of a good induction is invaluable for new starters irrespective of previous experience. To support this, we have a New Staff Induction Day before the start of term, which enables colleagues to get a real understanding of what the school is about and what it means to be part of the Trust. This day also prepares new staff for our training (conference) days at the beginning of the Autumn term. In addition to this ALL staff are invited to visit a series of lessons across the school year.
ECT Support	Where possible we try to ensure that ECTs have reduced teaching loads to allow them more opportunities for CPD throughout the school week. This also allows for peer to peer observations and additional coaching to take place to develop their practice.
3D Networks	3D Networks are an opportunity for faculties to share good practice and new ideas with colleagues across the school, based on our unique 3D Learning and Teaching model.
Attendance of Staff	Our staff are committed to their roles and ensure that students are supported to maximise their outcomes. Levels of attendance are exceptionally high across all staff and well above national averages in the education sector and beyond.

We are always looking for highly quality teachers and support staff who buy into our values across the LiFE Multi Academy Trust and our school
