In that event we wish you every success in any future applications you make.

Section 1: Post Advertisement

Post: Teacher of Science (Biology) – Temporary Part Time

Pay scale: Teacher Pay Range MPR/UPR

Contract: Part Time Temporary (0.84 FTE) - 1 Year

Start date: September 2022

Suitable for ECTs: Yes

Minerva Learning Trust is an expanding Sheffield based multi-academy Trust with a vision of providing outstanding education for all the students within our schools. The Trust is passionate that all students should see their time at school as happy and fulfilling with their potential developed to the utmost. High Storrs School joined the Trust in March 2018.

High Storrs is a high-performing 11-18 secondary school on the South Western outskirts of Sheffield that has benefitted from a £27m refurbishment of our Grade II listed building. Serving a multi-cultural learning community with high expectations and high aspirations, we are an over-subscribed school.

We are seeking to appoint a reflective and committed practitioner to join our highly successful department from September 2022. Applicants should be able to teach KS3 through to GCSE and the ability to teach A Level is desirable. The successful candidate will work with the Subject Leader to maximise success for all students.

Closing Date – Monday 13th June 2022 Midday.

Interview Date – TBC

The Trust is committed to safeguarding and promoting the welfare and safety of children and young people and expects all staff to share this commitment. The successful candidate will be required to complete an Enhanced Disclosure and Barring Service (DBS) check.

Further information is available by contacting Rachel Farthing (PA to the Headteacher) via email recruitment@highstorrs.sheffield.sch.uk or telephone 01142670000.

The application form and information pack is available on the school website <https://highstorrs.co.uk/our-school/vacancies> **Please ensure that you do not fill in a Sheffield City Council application form in respect of this vacancy, *ONLY MINERVA LEARNING TRUST APPLICATION FORMS WILL BE ACCEPTED.*** Please provide telephone numbers and email addresses for yourself and referees.

Section 2: Letter from the Chief Executive – Bev Matthews

Dear Candidate

Thank you for your interest in this role within Minerva Learning Trust. Minerva Learning Trust was established in October 2014 with the vision of providing outstanding education for pupils who are from a wide variety of backgrounds across the city of Sheffield. During 2017-18 the Trust expanded and brought together four secondary schools across Sheffield to create a new partnership of schools which supports the education of over 5000 pupils. In September 2020, Chapeltown Academy joined the Trust and enhanced the post-16 provision within the Trust in the north of the city and in September 2021, we were delighted that Woodthorpe Community Primary School became the first primary school to join the Trust. We resolutely believe that we are stronger together and that each school within the MAT has individual strengths and we celebrate the diverse and unique qualities of each particular school.

As a Trust our mission, vision and values are central to our work and are the driving force behind all that we do. Our vision of Outstanding Together, Working Together and Learning Together is underpinned by our core values of Inclusion, Independence, Respect and Success. Through our values we foster an ethos of collegiality, we ensure inclusion is at the heart of all we do and we work hard to ensure that every child succeeds, no matter what their background or circumstance.

We recognise that the commitment and care shown by all our staff is fundamental to the success of our young people. As such, we work hard to ensure that staff are supported, encouraged, developed, respected and listened to within an enjoyable and rewarding working environment. Our culture is one of professional trust, respect, honesty and integrity and we want our staff and students to work and learn within an environment that enables them to flourish and to work at their best.

The professional development of staff, including opportunities for research, is a key priority of Minerva Learning Trust. As such, we seek to enrich employee capability and maximise the strength and contribution of each individual who works with us. The Trust believes in investing in the learning and development of its employees through a range of opportunities which are aligned to the needs of the organisation and its young people.

This is an exciting opportunity to join the Trust. If you choose to apply you will be choosing to work alongside a team of dedicated professionals who passionately believe in the power of education to change the life chances of young people.

If you believe you have the experience, skills and ambition to support our aims and contribute to the delivery of the very best for our pupils then we look forward to receiving your application.

Bev Matthews
Chief Executive Officer

Section 3: Letter from the Headteacher – Claire Tasker

Dear Candidate,

Thank you for your interest in this role and in our school. High Storrs is a very successful high-performing 11-18 comprehensive school in the south west of Sheffield that has benefitted from a £27m refurbishment of our Grade II listed building. We are a large and happy school with 1697 students (483 in the Sixth Form). Serving a multi-cultural learning community with high expectations and high aspirations, we are an over-subscribed school and are part of the Minerva Learning Trust.

We are most proud of our excellent exam results. In summer 2019, students both attained highly and made outstanding progress from a wide range of starting points at GCSE and A level. Our outcomes for many measures at GCSE and A level are the strongest or amongst the strongest in the city. However, we also take great pride in all the other successes and efforts of our students and staff – the school productions, the dance and music performances, the staff panto, sporting endeavours, Pride events, charity events and all the times that members of the wider community comment on the decency and kindness of members of our school.

High Storrs is a happy, creative, focused and aspirational community that is built on the strong foundations of our broad curriculum, our inclusive ethos, our highly qualified and knowledgeable staff and our enthusiastic students. The beautifully refurbished old building is symbolic of our tradition and the multitude of alumni proud to have attended High Storrs. Our new building, full of excellent facilities, is symbolic of our bright future as a school that marries academic success with the education of the whole child.

A great deal of this success is down to the pastoral care and support at High Storrs School. Our House System really helps our youngest students to settle and, as they grow, to thrive. Our Houses celebrate the successes, challenge the mistakes and support the learning. The House teams all appreciate the power of partnership with parents and carers and of open communication. Support and care are equally important for all members of staff. We have a well-developed CPD programme at High Storrs that is now supported further by the growing CPD offer from the Trust. Wellbeing is also rightly high on our agenda. We have clear well-being principles in place that guide our work in school and an annual action plan full of suggestions made by staff.

Every day at High Storrs starts with either form time in a vertical (i.e. mixed age) form linked to a House or in a Year 12 or Year 13 form. The day may start with an assembly or a 'form discussion' about current affairs, the power of sleep, understanding stress or our all-important High Storrs 'Attitude to Learning' and learning behaviours for success. Then students are off to study a myriad of subjects (a much wider choice for GCSE and A level than many schools) before lunch in the deli bar, sandwich room, dining room or outside. This is mostly followed by clubs and fresh air! There are two more one-hour lessons in the afternoon before formal lessons end at 2.55 pm and sport, dance, music, drama, art, STEM and other extra-curricular activities or CPD begin. It is always a full day for staff and students at High Storrs School!

I look forward to receiving your application,

Claire Tasker

Section 4: About High Storrs

OUR ETHOS

We welcome everyone and pride ourselves on our inclusive practice. Combined with this, we deliver academic success, specialisms in Maths and Computing and Performing Arts and a wide range of extra-curricular activities.

Our students are treated with respect and are expected to respect school rules and each other. This enables everyone to enjoy a positive working environment where the most productive learning can take place.

Our school-wide values statement was written following a consultation with over three hundred stakeholders – amongst them parents, students, staff and governors. It articulates the positive attributes and characteristics we expect from, and see on a daily basis in, our community: **We are High Storrs. We are here to learn, succeed and thrive. We are respectful, safe and responsible.** This language is seen around our school and used in and out of lessons. This language is articulated to students to express what we want from our community.

ABOUT US

We are firmly committed to a holistic approach that combines academic delivery with strong pastoral support. We place a high value on maximising all opportunities for learning, providing exceptional development opportunities in a supportive and forward-thinking culture. In November 2013 the school was graded 'Good' by Ofsted with Outstanding for the Sixth Form and student behaviour. Ofsted Inspectors commented: 'Well done. It has been a joy to be here, teachers are such positive role models'.

Our school website www.highstorrs.co.uk will provide further details about our curriculum and more (including the full Ofsted report). You will also be able to read our school action plan and understand our priorities for this year and beyond. Our action plan is inspired by our 'five keys to success' and the notion of unlocking the potential in every student and member of staff. The High Storrs blogs and social media accounts will give you a further flavour of school life!

We look forward to your application and thank you for your interest in our school.

Section 5: About the Subject

Science at High Storrs School

The Science team here at High Storrs is exceptionally strong; they are a highly motivated, knowledgeable, organised and very experienced group of teachers. Science is a larger than average team comprising 16 colleagues and 3 specialist science technicians. We pride ourselves in a holistic and well sequenced curriculum across KS3 to KS5 delivered by colleagues with a broad range of experiences. We have strong exam results at both GCSE and A levels each year. In the last 2 years, over 95% of our GCSE students achieved Grade 5 or higher in Triple Science with a significant number of these students achieving top grades of grade 7-9. Our sixth form recruitment is ever increasing and currently across Years 12 and 13 we have 6 A Level Biology classes, 4 A Level Chemistry classes and 4 A Level Physics classes.

The Science subject specialism teams work closely together through the guidance of the Subject Leader for Science. The team work with both passion and commitment in order to offer a valuable, interesting and coherent learning model for all students. The department is led by the Subject Leader for Science, who is supported by the Deputy Subject Leader for Science and two further TLR holders. Three dedicated laboratory technicians support the delivery of practical lessons throughout all key stages.

Key Stage 3

At High Storrs School, Science is taught to all KS3 students. Lessons are conducted in 3 x hour long lessons per week and where possible groups stay with the same teacher for all science topics. The Science course is based on AQA Activate and is designed to be engaging and fun, and introduce students to both the practical and theoretical knowledge required in order to learn about the world in which we live in.

Key Stage 4

All students at High Storrs School sit GCSE's in Science. The vast majority of students follow the Triple Award Science pathway and complete GCSE's in Biology, Chemistry and Physics. There are some classes that follow the GCSE Combined Science Trilogy pathway as a mode of assessment where appropriate. All courses follow the AQA syllabus for each GCSE. The curriculum time from September 2022 will be x4 lessons in Y9, x5 lessons in Y10 and x6 lessons in Y11 to ensure teachers deliver in their subject specialism for most classes.

Key Stage 5

Students study A levels in AQA Biology, AQA Chemistry or AQA Physics at High Storrs School. These are always popular subjects within the school with a high level of uptake. Each is taught by subject specialists over 5 hours a week in mainly 2hr or 3hr block lessons to ensure ample time for practical lessons.

Section 6: Job Description

Minerva Learning Trust Job Description

Minerva Learning Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

POST TITLE	Temporary Teacher of Science (Biology)
GRADE/SALARY	Teacher Pay Range MPR/UPR
HOURS/WEEKS	Part Time (0.84FTE)
LOCATION	High Storrs School
RESPONSIBLE TO	Subject Leader for Science
RESPONSIBLE FOR	N/A
PURPOSE OF THE JOB	To deliver the science curriculum at High Storrs School for KS3 pupils and deliver specialist Biology teaching to KS4/KS5 pupils.
RELEVANT QUALIFICATIONS	QTS Relevant Degree

SPECIFIC DUTIES AND RESPONSIBILITIES

The post-holder, must at all times, carry out his/her duties and responsibilities within the spirit of Minerva Learning Trust and School policies and within the legislative framework applicable to academies.

MAIN DUTIES

Staff Development

- To take part in the school's staff development programme by participating in arrangements for further training and professional development.
- To engage actively in the Performance Management Review process

Teaching & Learning

- The provision of a full learning experience and support for students.
- To teach groups of students in the school as determined by the curriculum needs of the school.
- To ensure the effective/efficient deployment of classroom support.
- To mark and assess work carried out by students and use the information to inform teaching and learning. To undertake assessment of students as requested by external examination bodies, departmental and school procedures.
- To use a variety of delivery methods which will stimulate learning appropriate to student needs and demands of the syllabus. Planning and preparing activities which deliver appropriate challenge to students.
- To maintain discipline in accordance with the school's procedures, and to encourage good practice with regard to punctuality, behaviour, standards of work and homework.
- To be able to conduct practical work with classes across all key stages by modelling excellent health and safety practices and conduct thorough risk assessments in accordance with CLEAPPS guidance (Communication with science technicians is vital to ensure H&S standards are adhered to at all times).
- To report on student progress in line with the School Policy by maintaining appropriate records and to provide relevant accurate and up-to-date information for MIS, registers, etc.
- To support the development of cross curricular initiatives with other colleagues and subjects
- To co-operate with other staff to ensure a sharing and effective usage of resources to the benefit of the School, department and the students.
- To communicate effectively with the parents of students as appropriate.
- To be a Form Tutor to an assigned group of students. To record the attendance of the tutorial group, monitor absences and punctuality and report concerns to Head of House/Assistant Headteacher where appropriate.
- To support pupils' progress by utilising data contained in the tracking system.
- Participate in meetings within the agreed 1265 time budget at a level commensurate with the post
- To comply with the school's Health and Safety Policy and undertake risk assessments as appropriate
- Any other reasonable duties commensurate with the post e.g. Preparing information for Quality Assurance and Inspection

Review

This Job Description will be reviewed on an annual basis as part of the Performance Management cycle. It may also be reviewed outside of this cycle at the request of either post holder or the Head teacher.

To support the Post holder in the fulfilment of the terms of this job description, High Storrs School undertakes to provide, within the limitations of available resources:

- A full and appropriate induction programme

- Ongoing professional development opportunities, as identified within the context of the improvement plan and the performance management process.

Personal and professional support as appropriate

SAFEGUARDING

- To be aware of and work in accordance with the school's child protection policies and procedures in order to safeguard and promote the welfare of children and young people and to raise any concerns relating to such procedures which may be noted during the course of duty.

OTHER SPECIFIC DUTIES

- To play a full part in the life of the school community, to support it's mission and ethos and to encourage staff and students to follow this example.
- To actively promote the school and Trust's policies.
- To be courteous and provide a welcoming environment.

GENERAL

1. To be aware of, and comply with, Trust and school policies and procedures relating to child protection, health, safety and security, confidentiality and data protection, reporting all concerns to an appropriate person.
2. The above duties are not exhaustive and the post-holder may be required to undertake tasks, roles and responsibilities as may be reasonably assigned to them by the Headteacher and Local Governing Body.
3. This job description will be kept under review and may be amended via consultation with the individual, Headteacher and Local Governing Body as required. Trade Union representatives will be welcome in any such discussions.

Section 7: Person Specification

Minerva Learning Trust Person Specification

Post title: Teacher of Science (Part- time)

Minimum Essential Requirements	Method of Assessment
QUALIFICATIONS AND TRAINING	
Relevant degree	AF
Qualified Teacher Status	AF
KNOWLEDGE AND EXPERIENCE	
Excellent subject knowledge	AF/I
Evidence of teaching Science in current school or as a student during teaching practice	AF/I
Experience of teaching across key stage 5 in a science specialism desirable	AF/I

A commitment to equal opportunities.	AF/I
Ability to recognise discrimination and willingness to put Equality Policies into practice.	AF/I

Key: AA = Assessed activity
AF = Application form
I = Interview
R = Reference

Section 8: The Appointment Process

These notes are intended to guide you when making an application.

1. The Application Form

Complete the application form neatly, fully and accurately, including exact dates. The form may be typed or handwritten but if you do write it by hand please make sure that it is legible and that you use black ink. Indicate clearly on the front page the post you are applying for. You are requested to submit a concise application.

2. Education and Training

State your qualifications and any training you have undertaken relevant to the post.

3. Present Appointment

Make it clear what your present post is, which establishment you work in and who your employer is.

4. Previous Appointment

When completing this section, it is important that you offer a continuous record, or an explanation of any gaps to allow full account to be taken of your experience, for example, child raising, voluntary work.

5. Referees

Suitable referees are people who have direct, recent experience of your work and who are in responsible positions. We may need to contact them at short notice so please be specific with regard to contact addresses including e-mail and telephone numbers.

6. The Supporting Statement/Letter of Application

The supporting statement or letter is regarded as a very important part of your application. You should make statements that demonstrate how your qualifications and experience match the post. You should take particular care to demonstrate how you meet the person specification included as part of these details. **Please limit your supporting statement to two sides of A4 in size 11 font.**

7. Arrangements for Interview

Shortlisted applicants will be contacted as soon as possible after the closing date. Referees are contacted prior to the interview stage for teaching and some support staff posts. We

would ask that all shortlisted applicants read the safeguarding information on the school website prior to attending the interview.

8. The Interview

Candidates will be invited to spend a day visiting the school during which time they will have the opportunity to meet staff and students and see the school at work.

9. Feedback

Feedback is offered to those candidates who are shortlisted and not recommended for appointment. It is hoped that this information will help you with future applications.

10. Selection for Appointment

Selection is made conditional upon the successful candidate meeting the Trust's requirements for health, physical capacity and conduct.

11. Arrangements for Applications

When you have completed your application, the completed form and covering letter should be e-mailed to recruitment@highstorrssheffield.sch.uk by the closing date.
