

## **Thinking of applying for a role at Thurston Community College and wondering what it is like to be a new member of staff here?**

Read what some of our recently joined colleagues have to say:

*TCC is big and busy but.....full of wonderful students, who are encouraged to get involved in different activities and take on roles throughout the college, supported by a dedicated team of teachers and support staff.*

(Behaviour Manager, June 2025)

*This is my second time working at Thurston Community College, working here has been a genuinely positive experience. Staff are supportive and approachable, there is a strong sense of shared purpose and people are always willing to help others succeed. Expectations are clear and consistent and there is pride amongst the staff in providing a high quality learning environment for the students.*

(Teacher of Maths, September 2025)

*I rejoined Thurston Community College in October 2025. When the opportunity arose, I was keen to return and I'm very happy to be back. The staff team, teachers and support staff alike, are incredibly supportive to one another and to our students. We're a busy school with lots going on, making it a dynamic place to work with a real sense of community.*

(Academic Learning Mentor, October 2025)

*On starting at TCC I was welcomed by all staff and students. HR put in place a very clear and supportive induction programme, which enabled me to settle quickly into College life, giving me time to understand all policies and procedures. It was clear from day one that clear systems and processes are followed by all staff and students at social time and during lesson time to ensure learning time is maximised. If you're thinking of applying for a job at TCC, I would strongly recommend you come to see the College in action and see for yourself the wonderful work staff and students are doing on a regular basis.*

(Assistant Principal, April 2025)

**If you are interested in finding out more about any vacancies please email [Recruitment@thurstoncollege.org](mailto:Recruitment@thurstoncollege.org)**

**If you have seen a role you would like to apply for, we welcome you to arrange a visit to the College to find out more.**
