

COLNE VALLEY HIGH SCHOOL, HUDDERSFIELD

Teacher of Science

Permanent, full time role (contract if ECT)

To start – Easter 2022, or as soon as possible

UPS/MPS – Suitable for ECTs

Your new school

Founded in 1956, Colne Valley High School is one of the first purpose built comprehensive schools in England. The school is located in an area of **outstanding beauty** on the edge of the Pennine Hills in West Yorkshire with **good transport links** to Manchester, Huddersfield, Leeds and surrounding areas.

In September 2019, Ofsted judged the school to be '**Good**' in all four categories. This judgement reflects the significant progress since the previous inspection in June 2017.

We are a bustling, over-subscribed school with a real community feel. Where 'parents and pupils say that pupils are safe' and 'pupils and parents praise the help that adults give pupils when they have a problem.'
– Ofsted 2019, Good.

Your new role

The Science department has an **ambitious, bespoke curriculum** that builds from Year 7 to 11, and teachers in the department are **highly reflective and responsive**. Our teaching reflects Rosenshine's principles of instruction, with training on cognitive load theory and direct instruction. Staff are **empowered** to teach to the best of their ability with shared resources and planning. This is an exciting time for the **right practitioner** to add capacity to the team as soon as they are available. You will be:

- Passionate about teaching Science to KS3 and KS4, both in and out of specialism
- Driven by the desire to deliver outstanding teaching and learning to students
- Interested in developing a career within a small and supportive Multi-Academy Trust
- Keen to make a positive contribution to the wider life and ethos of the school

We are confident that new teachers joining our school will feel welcomed from the moment they start their journey with us and we absolutely encourage prospective applicants to visit school prior to applying if they wish.

Applying

Closing Date – 9am, Friday 14th January 2022

To express your interest for this role, please **contact Ashleigh Morgan, Recruitment Manager at AMorgan@themfg.co.uk** for more information. Alternatively, you can apply via TES.

The small print:

The MFG Academies Trust is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. This post is subject to an Enhanced DBS check.
