

SCIENCE TEACHER

We have an exciting opportunity for a suitably qualified and experienced teacher to plan and deliver our GCSE Science curriculum to small groups of Key Stage 4 students with additional needs. This will mainly take place at our Wigston site, but may require the successful candidate to work in other nearby locations.

If you are passionate, committed, and motivated and want to make a difference to the life chances of young people with social, emotional, and mental health difficulties, then we would like to hear from you. The appointed person will work within a small team of teachers and Inclusion Mentors to support young people referred to the partnership.

Our motto is:

'Education and opportunity is the right of all'.

If you believe in teaching young people to become the best they can be in a nurturing environment, possess qualifications related to this area of work, and experience of working with young people with SEMH, then we would like to hear from you.

The successful candidate will join a committed team and help to shape the future of the South Leicestershire Inclusion Partnership.

Please note staff working for the Partnership could be involved in a future restructure following a T. U. P. E over to the Leicestershire Local Authority at the end of the Summer Term.

Salary grade: M1 – M6 + SEN allowance

Hours: part time – Monday, Wednesday and Friday

Start Date: as soon as possible

Please visit ETeach to complete an application

This Partnership is committed to Safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will need to undertake an Enhanced Disclosure and Barring Service check via the DBS.

CLOSING DATE for applications: Wednesday 26th 2025 at 3pm.
