GLYN SCHOOL'S VISION

Glyn School inspires a love of learning and achievement that is founded on the virtues of integrity, kindness, respect and endeavour. Every person is highly valued and encouraged to achieve their full potential. Students are supported to develop and express their character, empowering them to positively contribute to their community. We are a values-driven school and thus our values underpin all we do.

Integrity means 'doing the right thing, even when someone isn't looking'.

A school community motivated by integrity and embodying a true understanding of respect and care for others is a successful school.

We foster mutual respect between all members of our community and help students develop self-confidence and self-respect, so that they become well-rounded young people.

Kindness is a type of behaviour marked by acts of generosity, consideration, showing assistance or concern for others, without expecting praise or reward. Our culture is positive and supportive, which increases students' sense of belonging and happiness towards their learning and school experience.

We nurture students to strive to achieve their true potential through perseverance, hard work and resilience. We place an importance on teamwork and developing independence, where all students are encouraged to embrace challenge, which leads to success and achievement.

Tenax propositi ulteriora peto: Firm of purpose I seek for nothing but the best

We also continue to use the original school motto from 1927.

This is an important part of our heritage and a reference point for our ethos and is proudly worn on the school blazer.

We firmly believe that colleagues who feel supported and valued impart their passion and enthusiasm to their students, and ultimately this enables the young people we teach to make exceptional progress. We want you to enjoy working at Glyn School and we warmly welcome you to visit us and experience our vibrant, thriving and supportive atmosphere that makes Glyn the right choice for you.
