Executive Principal: Dr Dayo Olukoshi OBE

Teacher of Science

(Biology / Chemistry / Physics)

Start date: September 2026

Brampton Manor Academy is seeking to appoint a highly committed **Teacher of Science** to join our successful and well-established Science department from September 2026.

Science is a core subject at Key Stages 3 and 4, and one of the most popular subject areas at Key Stage 5. We teach the AQA specification at both GCSE and A Level, with strong outcomes and high levels of student progression to science-based degrees at Russell Group universities, including Oxbridge.

We welcome applications from teachers who are able to:

- teach Science to Key Stages 3 and 4;
- teach across Key Stages 3, 4 and 5; or
- specialise in A Level Biology, Chemistry or Physics.

The department is well resourced, highly collaborative and academically ambitious. You will be joining colleagues who believe firmly that there are no limits to what students can achieve through effort, discipline and excellent teaching.

This role would suit an ECT or an experienced teacher, including candidates seeking to broaden their experience in a high-performing inner-city school. **A TLR and/or recruitment allowance may be available for a suitably experienced applicant.**

We offer:

- motivated, well-behaved students who value learning
- a calm, purposeful learning environment
- strong professional development and clear progression pathways
- salary on the Main / Upper Pay Range (Inner London)
- membership of the Teachers' Pension Scheme
- free staff lunch
- access to employee wellbeing support

Closing date: Monday 23 February 2026

Interviews: on a rolling basis

Brampton Manor Academy is a highly successful mixed 11–18 school with nearly 3,000 students and a national reputation for academic excellence and social mobility.

Brampton Manor Trust is committed to safeguarding and promoting the welfare of children and young people. Enhanced DBS, barred list and prohibition checks will be required.
