You have created an inclusive and purposeful environment. Blue Coat is a 'welcoming school'. Pupils enjoy school. Staff are proud of the school. They believe that there is a culture that encourages calm and orderly conduct and is aspirational for all pupils."

The science department has recently undertaken a multi-million pound refurbishment as part of the Department for Education's Priority Schools Building Programme. The department now boasts state of the art science facilities which provide superb foundations for the delivery of high-quality teaching and learning across all of the science disciplines.
