How to Apply

Welcome to Anglian Learning

Thank you for your interest in the position of Teacher of Science at Anglian Learning.

We are an ambitious, outward looking school trust consisting of six secondary schools and ten primary schools, the latest to join our community being Wimbish Primary Academy in September 2023. While each of our academies retains very clearly their own identity and ethos, we are collectively passionate in our belief that all young people deserve to have access to an outstanding education, and which crucially enables them to thrive in the local, national, and global communities in which they live.

Anglian Learning has been founded on strong collaborative and trusting relationships, where everybody is committed to sharing their successes, but equally open to innovative ideas and alternative perspectives. We also passionately believe that our most valuable resource is our people, and if you apply and are successful in your application, we promise to develop and support you in your career, as well as providing a caring, friendly environment in which to work.

For an informal discussion regarding this role, please contact Joanna Handsley, HR Officer, on HR@anglianlearning.org.

I hope that you find the following information useful. If you wish to make an application for this vacancy, please see the instructions within.

We look forward to hearing from you.

Jonathan Culpin,
CEO, Anglian Learning

Our Values:

Aspiration

We are ambitious for ourselves and all those in our community to be the best we can be

Community

We underpin our relationships with a culture of support, respect and trust, recognising we are stronger together

Empowerment

We enable our academies, staff and learners to embrace new ideas and think creatively

Inclusivity

We believe in equality of opportunity, celebrating everyone's differences and supporting learners of all abilities from all backgrounds

About Anglian Learning

Founded in September 2016 of four community-facing secondary schools seeking to share knowledge and provide mutual support, Anglian Learning has grown over the past seven years to be one of the leading school trusts in the region.

Educating more than 8000 pupils and employing over 1000 staff across three counties and sixteen academies, the Trust's mission is to enable inclusive and aspirational learning in every classroom, empower leaders across every academy, and ensure inspiring opportunities and educational success for all of our learners, people and communities.

Alongside this, the Trust remains committed to its heritage which is rooted in local communities and several of our schools provide adult learning opportunities and support for local groups and societies. We also operate our own sports centres under the banner of Anglian Leisure. Local, high quality and representative governance of schools is a key aspect of our leadership structure and we are recent winners of the NGA National Outstanding Governance Award as a reflection of this commitment.

In addition to our commitment to celebrating our community ethos, we believe strongly in empowerment: of pupils, our people and, crucially, our leaders. As recent research has reiterated, headteachers are incredibly influential in the success of schools and of their learners. The role of the Trust is therefore to provide the environment in which our leaders can grow, develop and flourish in their role. Our central team provides extensive, expert and rapid advice and support in human resources, finance, ICT, estates and operations. Therefore, our school leaders have the space and focus to drive school improvement in the curriculum, teaching, behaviour and in establishing the healthy culture and ethos that underpins this.
