Woking High School is a high achieving school with Academy status. We have an outstanding team of staff who are all committed to developing our students as individuals. All students are challenged to achieve their best. The Ofsted inspection of December 2019, which judged the school to be good, noted that, 'Pupils say that the school feels like a family. The curriculum is ambitious and well designed, with strong academic and vocational elements'.

Due to promotion and relocation, we are seeking to appoint a well-qualified, enthusiastic and imaginative classroom practitioner to join our excellent Science Department teaching KS3 and KS4 groups.
