## About United Learning

United Learning is a Group of schools which aims to provide excellent education to children and young people across the country. We seek to improve the life chances of all the children and young people we serve and make it our mission to bring out ‘the best in everyone’ – pupils, staff, parents and the wider community. We uniquely comprise schools in both the state and independent sectors.

As a Group, we can offer more to both staff and young people than any single school could offer alone. The growing range of outstanding group-wide activities that we can provide will mean that more young people will have truly exceptional and inspiring experiences.

We believe that our Group contains the most developed relationships and practical interaction between independent and state schools in the country, creating benefits for all the schools involved.

United Learning comprises both United Church Schools Trust, which operates our fee-paying independent schools, and United Learning Trust, which operates our state-funded academies.
