Our success and reputation is built on our cooperative values and highly inclusive approach to children and their education. We have a strong ethos of working in partnership with all stakeholders, ensuring we are very ambitious for all our children. We are committed to ensuring that we provide children with the right academic teaching and supportive pastoral care to ensure that all children have the greatest opportunity to succeed.

The successful candidate must share our collaborative approach and ethos, promoting a strong team and partnership ethos and must believe in a self-improving and sustainable system of school improvement that shares our moral purpose.

Our Values

Thrive Mission Statement *Inspiring pupils to thrive in life*

Thrive Co-operative Learning Trust **understands thriving to mean learning**, and learning to mean **growing in knowledge, self-reliance and in responsibility towards others**. Achieving this will allow pupils and staff to **develop a sense of agency and co-agency**, which is the awareness that we are powerful and can affect change, that life is something to be grasped rather than something that happens, and that we have maximum impact when **we work together for the common good**. This sense of agency plays out at three scales as it affects the future of **the individual, their community (local and national), and their planet**.
