Welcome from Paul Hemmings, Headteacher

Welcome and thank you for your interest in working with us at Oakmoor School.

Oakmoor is a brand new, state of the art secondary school situated in a 22 acre tree lined site on the edge of the South Downs National Park.

We are a friendly, vibrant school with high standards and expectations. We pride ourselves on knowing every young person as an individual and challenging each of them to have the highest possible aspirations. The Oakmoor ethos is encapsulated by our motto: *Ambition, Courage, Excellence*.

We are a highly collegiate staff with high expectations of ourselves and each other surrounded by like-minded, high calibre colleagues, who strive to provide the best education possible for our students. It is an exciting time to be joining our brand new, vibrant school where all staff are valued and their contribution to the organisation as a whole is recognised.

Teachers are very well supported by an excellent professional support team at all levels who share our goal of every child achieving their very best whilst enjoying a rich and varied curriculum with plenty of opportunities to excel outside the classroom.

Our school has grown in the last few years from 450 to 860 students owing to increases in outcomes and popularity. We are firmly positioned as the first choice secondary school for families in our town and are oversubscribed. Our new buildings will accommodate up to 900 students and with larger pupil numbers coming through our partner primary schools, along with the regeneration of our town, we anticipate reaching this number in the next few years. As we approach 900 students we will begin the planning for further expansion in accordance with the town's regeneration programme to meet the growing needs of our community. The final phase of expansion will complete our buildings for 1200 students.

Students at Oakmoor display excellent behaviour in lessons and around the school. Teachers plan highly engaging lessons tailored to the needs of our students allowing high levels of progress to be enjoyed. Students benefit from a wealth of extra-curricular activities, including trips and visits to enrich their experience at our school.

Our Plan-Deliver-Assess focus means that we have stripped away unnecessary bureaucracy and meetings allowing teachers to spend time on the 3 most important parts of their role. Teachers have time to plan great lessons, enjoy delivering their lessons and assess progress efficiently to inform the next stage of their planning to meet student need.

Three years' ago, one of our staff-led school improvement groups, piloted a new approach to assessing the work of students in their classes to inform their planning, rather than providing detailed feedback to every child individually. The pilot was highly successful and is now our whole school approach to assessing and planning.

Every teacher has saved a significant amount of time by no longer making detailed notes in every child's book which was having a limited impact on student progress. Teachers now use this time to plan more precisely to address misconceptions and tailor learning to their classes.

Removing other time-consuming activities which prevent teachers from doing their job effectively has also led to considerable student enjoyment and progress which has consequently improved GCSE outcomes for our students. It also means great teachers stay at Oakmoor and we have created an exceptional teaching staff here.

At Oakmoor we encourage staff to develop and many of our teaching and professional support team have been successful with internal promotion in recent years. This provides excellent continuity for the school and allows colleagues the opportunity to progress whilst remaining in the school they enjoy being part of.

We have cutting edge technology throughout the site and the latest specialist equipment for key areas such as science, technology and performing arts. Our main buildings surround a central court yard which includes covered areas for outside dining accessible from the dining hall and seating areas accessible from the learning resource centre for reading at break and lunch times.

There is an abundance of green spaces which include several sports pitches, an athletics track, a nurture garden and a forest school area for outside learning and activities. The whole site is bordered by mature trees providing a relaxing and inspirational backdrop to the learning environment.

We are a very successful school where high levels of respect and conduct prevail. Our success shows that when you couple high quality pastoral care with high standards and expectations, young people are able to flourish and to achieve their very best.

Visitors comment on our purposeful learning environment and our delightful students. To experience this for yourself I extend an invitation for you to visit our school and discuss the post with me in more detail. Vicky Ross, PA to the Headteacher, will be pleased to make arrangements for you and can be contacted at v.ross@oakmoor.hants.sch.uk or telephone (01420) 472132.

Thank you for your interest in the Science Department

The Science department has recently undergone a complete transformation. The results are rapidly improving under the dynamic leadership of our Head of Department who has the full support of a team of specialist science teachers and high quality technician support. We have recently relocated to our new site and staff and students are enjoying a suite of seven brand new science laboratories. This is a really exciting time for Science at Oakmoor School.

Over the last few years, the school has grown and is now oversubscribed with first choices. This growth necessitates an additional member of the Science Department which provides a superb opportunity for a talented Science teacher to join our team. We support every member of the team in becoming outstanding, reflective practitioners and look to open doors for all to ensure their continued professional development

The aim of the department is to encourage students to delve deeper into the interesting and diverse world around them. We open students' minds to the ways that Science shapes their everyday lives and enable students to develop their knowledge, understanding and application of the subject to their full potential. We aim to instil resilience and determination in each and every student to achieve their very best.

The KS3 curriculum is organised into umbrellas containing units that link to a central theme. Umbrellas include 'The Force Awakens' and 'The Rainforest' in Year 7 and 'Hocus Pocus' and 'Surfing USA' in Year 8. We focus on developing students' love of the subject, their knowledge and understanding of key concepts and ideas and their working scientifically skills in preparation for KS4.

At KS4, the qualifications students work towards are either AQA Biology, Chemistry and Physics (triple science) or AQA Combined Science: Trilogy. Where possible, teachers are able to teach within their specialisms and this helps to provide continuity for students.

Students are taught in classes which are relatively small in comparison to other schools giving each teacher an opportunity to personalise their teaching to meet the needs of their students. Students have ample teaching time for Science throughout their time at Oakmoor School with 8 hours each fortnight in KS3, 10 hours each fortnight in Years 9 and 10, and 9 hours each fortnight in Year 11.

Working at Oakmoor School - A View from our Staffroom

At Oakmoor you are trusted to deliver high quality lessons. You can deliver high quality lessons because the school has worked extremely hard to reduce the administrative burden for their teaching staff freeing our time to focus on what is most important, the progress of our students. I can genuinely say coming to school each day is a pleasure!

Mr Riley, Computing Department

Since joining Oakmoor School in 2015, I have had the support of my colleagues every day, and have always felt trusted and valued as part of the team.

Mrs Carter, English Department

I have worked in quite a few schools during my working life and I can honestly say that none of them compare to Oakmoor. There is a really nice sense of belonging and knowing that you are all equally part of a team, we are all striving for the same thing...to better the school, to make a happy working environment, to give students and staff the opportunity to learn new things and to be encouraged to shine. With all of this in place results come naturally....

Mrs James, Senior Science Technician

There has been a real focus on reducing workload and unnecessary meetings. This has resulted in fewer after-school meetings. Even more significantly, we now have a whole-class feedback policy which has reduced time spent marking and given staff more time to focus on planning for progress.

Mr Denton, Mathematics Department

I have worked at Oakmoor School for over 14 years. In those years I have loved working here. We have a special staff team who are extremely supportive of one another. The students I work with are appreciative of the work I do and are always grateful for the time I give to help them.

I always said I would look to work in another school after 5 years of arriving but the wonderful students and staff have kept me here

Mrs Hale, Technology Department

I have worked at Oakmoor School since September 2018 and, as a new member of staff, was really impressed by the warm and friendly environment around the school. The staff work collaboratively and the pupils' well-being is at the heart of everyone's work. Coming from a primary background, I like how the year 7s are welcomed into the school and I think the mixed mentor groups is a real strength, providing a great sense of togetherness amongst the year groups.

Mrs Pullinger, English and Computing Departments

Working at Oakmoor as a teacher is an absolute pleasure. This is my third year at Oakmoor School and feel so lucky to have such an amazing classroom environment. Everything a teacher could wish for, lots of cupboard space, visualizers, interactive whiteboards and space to create displays. The team at Oakmoor is supportive and it feels like a family".

Mrs Sutehall, Humanities Department

I have worked at Oakmoor School for almost 6 years. Oakmoor provides students with the necessary knowledge, skills and attitude for their development, which ensures a wider scope and prospective about education and what career choice to make in the future. My work colleagues are very supportive and friendly, which creates a sense of community and team spirit.

Mrs Kelly, Administrative Department

Professional Support and Development

At Oakmoor we offer a diverse programme of professional development to enable teachers to enrich their practice in areas that they have identified and want to develop. Professional development is closely linked to our school strategic plan and individual performance management to ensure that we are improving and enhancing the school as well as individual practice.

Throughout the school year, staff participate in a Twilight programme of professional development that has a focus on key areas. All staff are given the time and opportunity to choose a theme that they would like to research and study. The results of this work are then implemented to improve and enhance an area of their practice. There are also opportunities to share this knowledge with the whole school through our meeting and INSET programme and on many occasions whole school policy and practice has been influenced by the Twilight professional development programme.

Staff are also given the opportunity to work collaboratively with other staff and departments across the school through our meeting cycle. The collaborative meetings have a clear agenda that relates to sharing good practice to enhance provision through planned learning walks, work scrutiny opportunities and discussion and debate regarding learning, the curriculum, assessment, examination technique and classroom practice.

For Early Career Teachers (ECTs), our programme has been recognised as delivering the highest grading for guidance and support for our newly qualified teachers.

Our ECTs have a mentor who works in partnership with them to ensure that they continue to develop throughout the academic year. Their mentor observes lessons and provides regular feedback on the quality of their teaching as well as offering helpful advice on how to improve further.

This support programme continues once qualified teacher status has been achieved, as staff progress into our Recently Qualified Teacher (RQT) programme to ensure that support and development is on going, as we recognise that we have different needs at different stages of our career.

For professional services staff wishing to become teachers, we have a successful School Direct programme which is delivered jointly through our close link with the University of Chichester. This programme provides an opportunity to train with us for one year and includes a second placement in another school for one half term. When accepted onto our School Direct Programme, trainees are fully integrated into our staff team and are supported to ensure that they are given every opportunity to develop the skills required to become an outstanding teacher. To date, we have a 100% pass and employment rate and we expect to see this continue in the future.

The University of Chichester Multi-Academy Trust

The University of Chichester Academy Trust is uniquely placed to make a difference to the local education landscape. With access to the University's extensive resources, we provide both educational expertise from the University's Institute of Education and expertise from professionals within HR, Finance, ICT, Estates and Communications.

The Trust has an inclusive and an aspirational vision. People and relationships matter to us and we share the University's belief that education has the power to transform society.

Our Vision is for all young people to be inspired by an excellent education that raises their aspirations and enriches their lives.

Our Mission is to create a vibrant inclusive and aspirational family of academies, transforming life chances for pupils through excellent teaching and learning.

Our Shared values are:

- **Aspirational**
- **Inclusive**
- **Collaborative**
- **Dynamic**
- **People-focused**

University of Chichester as sponsor

As a University we believe education has the power to transform society and we should play a role in enabling people to exceed their own expectations, creating a positive impact on our local and regional communities.

Our belief is all schools can be successful and that student progress and the retention and growth of high-quality teachers should be at the heart of our work. We have years of experience in working with outstanding and improving schools as well as those less successful and were proud when we established the Academy Trust in 2012.

We believe there are five key factors that distinguish the University of Chichester as an academy sponsor:

- Teacher training and schools have been fundamental to the University since 1839;
- Tailor-made solutions designed on merit not a one size-fits-all compliance model;
- Wide ranging experience of working in partnership with a rich variety of schools backed up with school focused CPD and classroom-based action research;
- The University is judged as a good provider of Initial Teacher Training;
- High quality teaching and learning, recruitment, training, development and retention are all at the heart of the University ethos, which is shared by the Trust.

'The headteachers and chairs of governors of all of the schools play an important role in the leadership of the trust through forums such as the termly advisory group. Consequently, officers, headteachers and members of local governing bodies share a strong sense of common purpose.'

University of Chichester Multi-Academy Trust
Report, 201

Job Profile

Job Title: Teacher of Science (Full time or part time)

Reports to: Head of Department

Location: Oakmoor School, Bordon, Hampshire

Function of the Post

To plan and deliver high quality engaging and challenging teaching and learning across the full ability and age range of students, ensuring all students make rapid and sustained progress.

Principal Accountabilities:

1. Plan and deliver high quality engaging and appropriately challenging lessons that inspire all students to share a passion for your subject and become independent learners.
2. Ensure all students make rapid and sustained progress in line with the assessment criteria for the scheme of work or qualification.
3. Effectively assess student progress and understanding to inform future planning and make formative and summative assessment, including data for reporting purposes in line with academy procedure.
4. Provide high quality marking and constructive feedback so that students are informed of how to improve their work.
5. Set and assess appropriate homework that matches individual student needs.
6. Take responsibility to ensure teaching assistants understand the aims and outcomes of your teaching to ensure an effective and collaborative contribution for the benefit of all students.
7. Attend scheduled meetings of the academy and parents' evenings as directed by your line manager or senior staff.
8. Make a positive contribution to the strategic aims, values and ethos of your subject area/s, the academy and the University of Chichester Academy Trust.
9. Contribute to the wider life of the academy, such as leading on extra curricula activities.

Principal Attributes and Person Specification:

Essential requirements are those, without which, the candidate would not be able to do the job. It is expected that the post holder will have the knowledge and qualifications indicated or equivalent qualifications and experience.

Desirable requirements are those which would be useful for the post holder to possess and will be considered when more than one applicant meets the essential requirements.

Your application form will be assessed for literacy, accuracy and attention to detail.

University of Chichester Academy Trust

The Trust's vision is "for all young people to be inspired by an excellent education that raises their aspirations and enriches their lives"; and it is our mission "to create a vibrant, inclusive and aspirational family of academies, transforming life chances for pupils through excellent teaching and learning...".

With a supportive and collaborative approach, it is expected our academies are actively engaged and contribute to the work of the Trust; have a shared vision and work within the requirements of the Trust whilst retaining and developing the academy's own identity.

Teachers' Standards (England):

Uphold the principles of the Teachers' Standards and it is expected you will perform at a level that is consistently good or better across the current Teachers' Standards (England).

Framework:

Professional responsibilities and duties should be undertaken in line with the contractual framework for teachers set out in the current School Teachers' Pay and Conditions document, the Academy's Scheme of Delegation and in line with statutory obligations and regulations that apply to academies within a multi-academy trust and or as directed by the University of Chichester Academy Trust.

The duties contained within this job profile should not be regarded as exclusive or exhaustive and you may undertake a range of other duties appropriate to the salary grade and in line with the context of your role. In consultation, the University of Chichester Academy Trust reserves the right to update your job profile to reflect changes in, or to, your post.

Equality and Inclusion:

The University of Chichester Academy Trust and the academy believes that everyone has the right to be treated equally and that the diversity of individuals and groups should be embraced, valued, and respected. We are committed to eliminating any form of discrimination be it direct, indirect, harassment or victimisation, and to support this the Academy has a number of policies that you should ensure you are familiar with and compliant to. Any breaches may lead to termination of employment.

Right to Work:

British and European Law states that a person cannot be employed to this post if they do not have permission to live and work in the UK. Please advise if you require any guidance or further information.

Health & Safety:

You are responsible for ensuring that workplace responsibilities within the Section are carried out with full regard to, and in support of, the School's Health and Safety Policies.

Sustainability and Environment:

The University of Chichester Academy Trust is committed to sustainable development and environmental initiatives. It accepts its environmental responsibilities and recognises the contributions it can make to the resolution of global, regional and local environmental issues. The University of Chichester Academy Trust will support the school in continuously seeking to find ways to improve its environmental performance and all staff are required to support these aims.

Data Protection:

You will be responsible for conducting activities in compliance with the requirements of the Data Protection Act 2018 and the Employment Practices Data Protection Code, especially concerning confidentiality, treatment of personal information and records management.

Safer Recruitment:

The University of Chichester Academy Trust and school are committed to safeguarding and promoting the welfare of children and young people and expect all staff to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment.

New members of staff will be required to apply for Disclosure Service Certification as part of the School's staff recruitment process. Further information about the Disclosure and Barring Service is available from the DBS website at www.gov.uk/dbs.

Application Procedure

Applicants should complete an Application Form and Equality Monitoring Form which can be downloaded from the school website www.oakmoor.hants.sch.uk or the Trust's website www.unicat.org.uk/find-job and submit it, so that it is received no later than 9am on 6 June 2022.

Oakmoor School
Budds Lane
Bordon
Hampshire
GU35 0JB

T: (01420) 472132

E: v.ross@oakmoor.hants.sch.uk

Application Form Completion

When completing the application form, please refer to the Job Profile and particularly the essential criteria within the Person Specification. Indicate, giving evidence, how you believe your knowledge and qualifications, skills, experience and personal attributes, either at work, or elsewhere, qualify you to undertake the duties and responsibilities set out in the Job Profile.

Selection Procedure

The shortlist will be drawn up week commencing 6 June 2022. Further details will be sent to those candidates called for interview.

Failure to send your application form to the above address may invalidate your application.

Equality Monitoring

All applicants will be required to complete an Equality Monitoring Form.

Receipt of Application

Applications are acknowledged (by email whenever possible) within three working days of receipt. If you do not receive an acknowledgement within this time, please contact the Recruitment Team immediately on the number above.
