# About The Garibaldi School

Welcome to The Garibaldi School. Founded in the 1960s, we have gone from strength-to-strength, innovating education over the years for 11-18-year-olds. With our built-to-last mantra, we strive to offer an engaging educational experience.

Ofsted described the college as being 'inclusive and caring' providing students with quality support for those who need it. The best way to judge us is through our achievements.

## Ethos

The well-being and success of our students is at the centre of The Garibaldi School vision. The school is a safe environment where students can feel comfortable, well supported and confident.

We believe that it is our duty to develop the aspirations of our students and we encourage students to set high standards for themselves. As a result, targets are high and we expect high quality teaching and a personalised approach to learning to support our students to achieve.

Our students take pride in themselves and in being a part of The Garibaldi School. We help students develop teamwork and leadership skills. Most importantly our students learn how to respect themselves and others. We are clear in the way that we expect our students to conduct themselves with all members of our community. Therefore, by the time our students leave, they have gained the skills, qualities and qualifications needed for a successful future.

This caring ethos sits within a structure that provides support for students and ensures regular contact with parents and carers. We actively engage and listen to parents, making sure their views shape school policies. We work with them as partners in their child's learning, personal development and well-being.

The Garibaldi School is a very effective school which serves its local community well by providing a first rate education to all its students. We work in close partnership with other schools to ensure education across the local area is as good as it can be. We make sure that we are transparent and explain carefully to all stakeholders the purpose of what we are trying to do. Students that leave The Garibaldi School are successful, thoughtful and independent. They have been encouraged to aim high and are well equipped to meet the future challenges that they will face.

## Mission Statement

To create a supportive and caring learning community that gives all our students the confidence and opportunity to achieve and prepare them for a successful adult life.

## Aims

Our aim is to build a school where students:

- Take pride in themselves, the school and their community
- Have respect for each other and the staff that are supporting them
- Aim high and achieve well

## Values

We believe in:

- Raising aspirations
- Equality of opportunity
- The power of positive relationship
- Working as part of a team
- More good lessons more of the time
- The importance of respect
- A high standard of behaviour
- Giving responsibility in order to grow
- Achievement building self-confidence and happiness

## Promoting British Values

We agree with the Department for Education's five-part definition of Fundamental British Values:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs

At the school students will encounter these principles throughout everyday school life. The importance of these values in our modern and diverse community is recognised across all curriculum areas.

Our Personal Development curriculum in particular delivers opportunities for students to learn about and reflect upon these British Values.

## Welcome from the CEO

Dear Applicant,

Thank you for your interest in working at the heart of **Nova Education Trust**. I hope that you will find this pack useful and informative in helping you to find out more about our organisation and to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards. Over the last two years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 96% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's MAT performance for Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. We are highly valued and respected by the DfE, the Local Authorities and other local trusts. This is testament to our brilliant pupils, staff and the communities that we serve. Our trust support and governance is strong and has been externally recognised as amongst the best in the sector and our organisation is financially stable. We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings.

We are committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools. We are looking for a talented and inspirational leader who is committed to transforming the lives of our learners, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff. Front and centre to this is our commitment to well-being and engagement because we believe in enabling people to be at their best. We

are changing the way we support people to grow and develop, through 'coaching, not telling' — we now have over 150 professionally-trained coaches in the organisation and we have plans to train all middle and senior leaders. We think it's essential that colleagues can access excellent professional development and progression pathways which suit their individual needs. We pledge to lead the way with Diversity, Equity and Inclusion in our organisation. We will introduce new and innovative ways to increase the diversity of our workforce and continue to strive for an inclusive culture in which people have a voice and can contribute, feel a sense of belonging and are able to be themselves.

It is such a pleasure and privilege to lead such a talented group of staff who are forever looking for new and innovative ways to make us even better, each and every day. I am so proud of what we have achieved so far but I know that we can do even better, despite the challenging educational landscape that we find ourselves in. We have a highly skilled, experienced, dynamic and diverse board. They are so supportive yet professionally challenging and there is a great synergy and trust between the board and the executive team.

If you have got a sense of humour, drive, energy and enthusiasm to make us even better then we'd love to hear from you. This is a fantastic opportunity to join a values-driven trust at an exciting stage in our development.

Further information can be found at [novaeducationtrust.net/careers](https://novaeducationtrust.net/careers).

We look forward to receiving your application.
