September 2021

Dear Candidate

Thank you very much for expressing an interest in the position of Science Teacher at Hatch End High School.

We are looking to appoint an inspirational and dynamic Teacher of Science from January 2022. Owing to the current makeup of the Science Faculty, we are open to applications from any of the 3 Sciences.

We offer a full range of Science courses and all three Science A Levels are extremely popular at Key Stage 5. The successful candidate will have a commitment to the development of creative, engaging teaching and learning across the age and ability range. Our Science examination results are consistently above the National Average, but we feel we can do even better. We also offer BTEc Level 3 at Post 16 which is both popular and gains outstanding ALPS scores. This appointment is suitable for Newly Qualified Teachers or an experienced teacher.

This is an exciting opportunity to work with a thriving faculty with a strong supportive team of teachers and technicians, some with extensive experience, and also regular trainees on our TeachFirst programme. The Science Department benefits from 11 fully equipped laboratories and 5 supportive technicians.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme. Continuing professional development is at the core of everything we do, and you would be joining an organisation which believes that our teachers and middle leaders form the engine room of any school's success. All teachers are encouraged to pursue a wide range of professional development and we play a key role in a highly successful Teaching School Alliance.

Our website has comprehensive information on the many fantastic opportunities at the school and would urge you to read this before applying, particularly our ["Your Career at Hatch End High School" prospectus](#). If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.

Ms S Maguire
Headteacher
