

Teacher of Science

September 2026
Full time/Part time
MPR / UPR

Welcome from the CEO of Central England Academy Trust

Thank you for your interest in joining Central England Academy Trust. Our growing Trust currently consists of a diverse family of five schools in the Nuneaton area: a primary special school, a secondary special school, a primary school and two mainstream secondary schools.

Our Trust's core values summarise what is important to us and what we actively promote:

working together and with others to achieve the very best for the staff, pupils and families that we serve.

recognising the individuality and uniqueness of our staff and pupils, and that we do not all start from the same place. We strive to provide all of our staff and pupils with what they need in order to have equal access to opportunities, to thrive and to succeed.

to be ambitious for all of our staff and pupils and have the highest expectations of them, supporting them to achieve to the very best of their potential.

ensuring that everyone in our MAT feels safe and supported in all that they do.

I hope this application pack provides you with the information needed to consider applying for this position, and I wish you every success with your application.

Best wishes

Andrew Dickinson
Chief Executive Officer

Employee Benefits of working at Central England Academy Trust

We strive to be an employer of choice, and are committed to ensuring our employees feel valued, appreciated and at the heart of what we do.

We have a number of core benefits which include:

Professional Development

- We support all our schools and services to offer professional development that is rooted in the evidence of what improves teaching and learning
- We listen to what your career aspirations are and how we can support you within your role
- We provide Trust-wide CPD in key areas, including SEND, behaviour and teaching and learning
- We support staff in accessing a wide range of qualifications, including Diplomas, Masters and National Professional Qualifications (NPQs)

Appraisal

- Our staff appraisal focuses on supporting our employees to be the very best they can be. There is no performance-related pay in our Trust, and we put staff at the heart of what we do so they can put children at the heart of what they do

Apprenticeship Levy

- As a large employer we pay into the Apprenticeship Levy Fund and are therefore able to offer a wide range of apprenticeships to both new and existing staff.

Pension Schemes

- A contributory pension scheme relevant to your role: Teachers' Pension Scheme for teaching staff, and the Local Government Pension Scheme for non-teaching staff.

Employee Support Schemes

- Subsidised eye care for extended VDU users
- A Gym Membership Scheme
- A Cycle to Work Scheme
- An Employee Assistance Programme, providing practical and emotional support.
- An Employee Benefits Scheme, offering discounts on everyday essentials
- A Health Cash Plan benefit, providing reimbursements for various health-related expenses, including dental treatments, optical care, physiotherapy and more

Teacher of Science

Our ambitious, carefully planned and sequenced KS3 Science curriculum builds a secure foundation of scientific knowledge, investigative skills, and curiosity about the natural world. It is designed to develop students' understanding of the key scientific principles that underpin GCSE study while nurturing critical thinking, problem-solving, and confidence in practical enquiry. Pupils are taught for 7 hours of Science per fortnight in Years 7 and 8 and are initially be grouped according to ability, following the three disciplines of Science.

There is a suite of state-of-the-art Science laboratories with the latest technology and ICT facilities available, including the use of a Visualiser in each classroom. We are also fortunate to have a spacious and well-equipped Prep room. Our Science laboratories are situated within our STEM corridor of learning where close collaboration with other subjects to promote STEM with students is a priority. We are passionate about teaching learning routines to reduce cognitive overload and you will benefit from a range of resources, including the use of knowledge booklets, to support your teaching.

There is a strong commitment to reading and literacy throughout the school. It is our ambition that every child's reading age will matches, and exceeds, their chronological age. As a Teacher of Science, you will be relentless in helping to improve students' literacy skills, which are a key focus of the school and you will be supported immensely in this from our highly skilled practitioners.

Super-curricular activities are an important part of our curriculum offer of entitlement to ensure that our pupils experience the best of what has been thought and said in each subject. Every department offers a weekly activity linked to their subject that provides students with the opportunity to develop their cultural capital and passion for a range of subjects and interests. In your application, please include details of what you can offer your growing department/school. As part of the North Guarantee for pupils, we will also offer several trips and visits over the five years that subject teachers and leaders will lead on. You will be provided with a laptop to help support your teaching and learning.

Main purpose

The Teacher of Science will take responsibility for:

- High-quality teaching and subject knowledge of Science

- A coherently planned and sequenced knowledge curriculum in Science, adapting the HLS model where appropriate

- Improved standards of learning and achievement for all pupils

- Consistent use of assessment

- Effective use of resources

How to apply

Please complete the Application form, as well as the Equality Details Form, that you will find on the School's website (www.hlina.co.uk) and email them to jobs@hlina.co.uk, indicating in the message title the post that you are applying for. If you would like to chat about this post, please contact Romaine Charles, Deputy Headteacher on 02475 106910.

The closing date for applications is midday Monday 2nd February 2026

Please address the following points when completing the 'Additional Information' section of the application form: -

- Why you feel your personal qualities and experience make you an excellent candidate for this position;
- Your specific ideas about what you can do as a Teacher of Science both within the classroom and beyond to ensure students at Higham Lane North Academy are safe, happy and make excellent progress.

About Higham Lane North Academy

'Everyone will excel through our high expectations and high levels of care and support. Higham Lane North Academy is a school where everyone is included and everyone belongs.'

Kirstie Robinson
Headteacher

Higham Lane North Academy is a vibrant, ambitious and inclusive school committed to providing high-quality education that inspires, challenges and supports every learner. We pride ourselves on our strong community ethos, excellent teaching standards, and a culture that values both academic achievement and personal development for both experienced teachers and ECTs.

Why be a key part of Higham Lane North Academy?

We are seeking an enthusiastic, dynamic and dedicated **Teacher of Science** to join our small but highly successful Science department. The ideal candidate will be passionate about literature and language, committed to high academic standards, and able to foster a love of learning in all students.

The second year and beyond at Higham Lane North Academy

As we embark upon our second year at HLNA, you will be joining at a unique time where you will support our continuing growth as an exceptional school. Committed to the highest standards for education, as a team of dynamic and committed professionals, we look forward to your ideas and contributions as we seek to embed our very strong practice.

Your Environment

The school building and grounds

Higham Lane North Academy's building and grounds have been planned to create a learning environment that provides high-quality educational provision, academic excellence, exceptional pastoral care and personal development in a school that is at the heart of the community. Our convenient location provides easy access from the new Northern Link road that links new housing developments in the north and east of Nuneaton, from the A5, and by bus. There is also a dedicated walking/cycling lane along the new access route and a secure compound for bike storage.

The impressive, state of the art facilities include:

- An impressive assembly hall
- A well-stocked library and learning space
- Designated staff work room areas with facilities
- IT-rich classrooms
- Spacious dining hall with outdoor canopy
- Drama studio
- Dance/activity studio
- Curriculum habitat areas
- Outdoor learning spaces
- Indoor Sports England accredited sports hall
- Four outdoor tennis/basketball/volleyball/netball courts
- Four outdoor multi-use pitches for sports such as rugby, football and athletics plus a grass running track around the largest of these with capacity for field events
- Outdoor amphitheatre
- Separate optional entrance for children with SEND
- Designated SEND garden
- Meadow grass planting and flowering lawns creating an ecological corridor across the site

**HLNA is a school where everyone belongs
and everyone is included.**

HLNA staff benefit from:

- 01** A supportive, collaborative working environment that places staff workload and wellbeing at the heart of all working practices.
- 02** A clear behaviour and praise policy that enables all teachers to teach, and all pupils to learn effectively with a highly visible and supportive senior leadership team. This includes a centralized detention system, ensuring that you are fully supported with your practice.
- 03** A commitment to an ambitious, broad and balanced knowledge curriculum that is highly considerate of teacher workload and wellbeing, particularly around planning, assessment and feedback.
- 04** Research-based teaching and learning practice and strategies developed with workload and wellbeing in mind. Alongside this you will work within an environment that has a genuine passion and enthusiasm for teaching and learning that will enable you to thrive and flourish within the classroom.
- 05** Weekly CPD opportunities with a careful balance between whole-school, subject and personal priorities to be even more effective.
- 07** Opportunities to obtain professional qualifications and develop your career over the coming years in a growing school. We will provide bespoke career stage training such as NPQH and ETP (Exemplary Teaching Programme).
- 08** The opportunity to work with a highly experienced, effective, forward-thinking and ambitious senior leadership and Trust team.
- 09** A supportive senior leadership and trust team that will regularly seek your feedback to hear your views on what is going well, and how we can be even more effective, giving you control over your work practice and contributions.
- 10** The opportunity to work collaboratively with other schools within our Trust, particularly with Higham Lane School and Oak Wood Primary and Oak Wood Secondary Schools.

Duties and responsibilities

Strategic direction

- Set high expectations which inspire, motivate and challenge pupils
 - Develop effective teaching and learning strategies
 - Promote and monitor the use of school policies within your lessons
 - Contribute to school improvement planning, working closely with the Curriculum Leader for Science
-
