Every Northern Lights school has its own values and its own vision and that's really important to us because all of our schools are there to serve our community but equally, our Trust is there to serve each other.

We do that with humility and with an openness because at Northern Lights it's not all about the academic – that is really important to us – but we know, as a Trust, we are successful if we have ensured that in an holistic way our children and young people have had every opportunity to experience, to flourish, to thrive, to understand the wonder and the joy of the world around them.

– Jo Heaton OBE, Chief Executive, Northern Lights Learning Trust

Welcome from the CEO

Thank you for your interest in the position of Teacher of Science within Northern Lights Learning Trust.

We are a growing Multi-Academy Trust that is currently made up of 3 secondaries and 9 primaries across Wearside and Teesside, with our central offices based in Seaham. We educate over 4600 pupils and employ over 700 members of staff and serve a diverse range of schools and communities. Each of our schools have their own individual ethos, values and vision, which sit together as part of our Northern Lights vision of 'Shining Together and Stronger Together'. As a CofE MAT, our schools are a mixture of Church and non-Church schools that range in size and levels of disadvantage. We see this diversity as a real strength to learn from and work with each other.

As a Multi-Academy Trust we are at the heart of the current educational landscape, as a designated DfE Centre of Excellence as a Teaching School Hub and DfE Early Years Hub, responsible for teacher development across all ages and phases of education, working with over 300 schools. We are collaborative in our approach and value professional development highly in all we do.

We are looking for someone whose values align with us as a Trust and has the drive and ambition to work collaboratively to provide the best opportunities and outcomes for our young people.

We look forward to receiving your application.

Yours faithfully

Jo Heaton OBE
Chief Executive Officer

Welcome from the Headteacher

I am privileged to be Headteacher at Ian Ramsey CE Academy. It is my pleasure to welcome you to our school.

Ian Ramsey CE is a popular and oversubscribed secondary school at the heart of the Stockton community and its surrounding villages. There are approximately 1187 pupils on roll in years 7-11. In 2022, Ofsted described our academy as a place where 'Pupils and staff have positive relationships. There is an inclusive culture built on a Christian ethos.'

The Christian ethos shapes the daily culture of our school so our children feel safe and are cared for. Our Academy's mission statement, 'Together to learn, to grow, to serve', encompasses our commitment to ensuring all members of our community use the gifts we have been given to serve others to learn as individuals and build the confidence to achieve their aspirations.

We provide a broad and inspiring academic experience, which is interesting, challenging, and relevant to the needs of our pupils. We want all our children to reach their full potential, to give them the opportunity to flourish, to recognise and develop their individual gifts and talents and approach the outside world with confidence. Our DEEP curriculum, offers all pupils a first class education based on high-quality teaching and a range of experiences outside of the classroom.

The 2025/26 academic year will be an exciting one for all those involved. Whilst the most recent Ofsted inspection judged the academy to be 'good' in all areas, there is still so much potential that is yet to be recognised and harnessed.

Each member of staff plays an essential role in the day to day running of the school and each can positively impact the children and young people in our care; and this post will be no different and is a vital role in the whole academy team.

Thank you for your interest in our academy.

Kind regards

Donna Park
