

Teacher of Science
Main Pay Range
From September 2022/January 2023
Part time considered

We are looking for someone with excellent subject knowledge, who is able to respond positively and creatively to the expectations of the subject and has the ability to enthuse students.

Science is a very high performing department, achieving amongst the best results in the County. This success is a result of a keen focus on progress and developing a love of Science for all students.

The successful candidate must have good organisation and communication skills and embrace school life.

An interest and/or ability to teach Computing/Information Technology alongside Science would be considered.

John Hanson is a successful 11-16 community school, rated as Good by OFSTED. Our students are friendly and confident, and we strive to ensure that they achieve the success they deserve.

A school where 'Pupils work hard and find the work really challenging'. A school where 'there are strong systems in place that support pupils in reaching the highest grades' - Ofsted 2018.

If you are an ECT, we have a successful ECT induction program providing full support. ECTs will be paid from the 1st July if available for an early start date.

We welcome informal conversations with the Headteacher, and encourage you to come and visit our school and meet our staff and students. In all circumstances, please contact Karen Page (Business Manager) for further details and an application form, 01264 352546 or email adminoffice@jhanson.hants.sch.uk

John Hanson Community School and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

The closing date for this vacancy is the midday on Monday 28th March 2022.
