

**Teacher of Science
Required for September 2021
MPS**

(NQTs are encouraged to apply. All Science specialisms will be considered although a Chemistry specialism may be advantageous)

We have an exciting opportunity for an outstanding teacher to join our school as Teacher of Science.

Enthusiastic, talented and inspirational, the successful candidate will have the drive and passion to ensure that we are providing challenging and engaging Science provision which will allow all of our students to make excellent progress.

The ideal candidate will have up-to-date knowledge and understanding of current developments in the teaching and learning of Science to all students. They will have strong communication skills along with the enthusiasm needed to inspire the students they teach and their colleagues in the department.

This is an ideal opportunity for a candidate eager to join King's Norton Boys' School and play their part in fulfilling our mission for all of our boys to reach their full potential. They will already have demonstrated high standards and will be keen to take advantage of opportunities to develop further. King's Norton Boys' School is a great place to work where there is clear emphasis on collaboration, professional dialogue and development.

Applicants should complete the school's application form and submit with a supporting letter, maximum of two sides of A4. Candidates will be required to submit the names of two referees, one of which should be your most recent employer and/ or training provider. This role is also subject to an enhanced DBS check.

Applications should be emailed to recruitment@knbs.co.uk. If you would like to visit the school or discuss the role further then please contact Mrs Holland, Headteacher's PA, on 0121 628 0010. Applications will be considered as they are received. Interviews will be held week commencing Monday 8th February 2021 through a mix of virtual and a face to face meetings.

Further information about the school is available at www.knbs.co.uk
