Ted Wragg Trust

An ambitious and inclusive Trust of schools strengthening our communities through excellent education.

**Welcome from the Ted Wragg Trust
CEO, Moira Marder**

On behalf of the Ted Wragg Trust, I would like to thank you for your interest in working with us. The Ted Wragg Trust (TWT) is an **ambitious** and **inclusive** Trust of schools **strengthening our communities** through **excellent education**. Our values driven, rapidly growing 2-18 Trust has the highest expectations for every child, every day, with social justice at our core.

This is a hugely exciting time for us as a growing Trust who work closely with other local schools and Trusts across Devon.

We demonstrate our love through our values

How we will succeed

Marine Academy Plymouth

Thank you for your interest in working at Marine Academy Plymouth. Over the last twelve months we are now, officially, one of the top four most improved state schools in the country. The results our Year 11 & 13 students achieved this year have catapulted us to becoming the highest performing non-selective school in Plymouth and we saw over 70% of our Sixth Form students move on to University. By 2025 I believe we will be one of the highest performing school in the country.

In order to work here you must believe that a child's academic success is built on the very highest expectations of conduct and discipline; the children of Marine Academy are being asked to work harder than those in the schools around them and the expectations of their behaviour are higher than any other school in the region. We demand this because we believe every child should have the opportunity to attend University when they leave us. You must believe that too.

Working at MAP is highly rewarding; you are surrounded by like-minded colleagues and the success of the school is inevitable. This allows us to be innovative, to do things that others don't. It ensures we are relentlessly focussed on our mission and accept no distractions. It also means we can focus on our own improvement, because getting better at what we do is as important to us as it is ensuring great outcomes for our children.

We are proudly part of Ted Wragg Multi-Academy Trust and we endeavour to create strong links with the highest performing schools, trusts and educationalists across the world. We will be at the forefront of modern educational research and thinking. I have no doubt that Marine Academy will soon be recognised as a beacon of national excellence and the number one destination for aspiring school leaders in the country.

Our Ethos is underpinned by our core belief that We believe every child deserves a world-class education.
