Teacher of Science

Salary: TMS
Location: Alcester, Warwickshire
Contract Type: Full Time
Contract Term: Temporary (maternity cover)
Required: From October 2024 to December 2024

A vacancy has arisen to become part of an outstanding science department within a high performing and friendly school. Alcester Academy enjoys a strong reputation locally and nationally as a result of our caring ethos and excellent academic performance.

The successful applicant will join an ambitious and supportive science team as maternity cover. At Alcester Academy, teachers enjoy the freedom to deploy their individual skills, and talents, whilst conveying a passion for their subject and delivering excellent outcomes.

The science department is proud of the progress that students make. As a team, we have an established record of excellent results; in 2022 results far exceeded National Averages: P8 for the whole school was +0.46 and science achieved a VA of +0.55. In 2023 86% achieved a minimum of 2 grade 4s in science with 71% achieving at least 2 grade 5s.

Applicants will be considered from all points of experience, including early career teachers. In Key Stage 3, teachers would have sole responsibility for a class and are expected to deliver all content. At Key Stage 4, teachers are given more opportunity to teach within their specialist area. As a small department, flexibility and teamwork is particularly important. An ability to teach physics at Key Stage 4 would be desirable, however not essential. At KS4 both combined and triple science is offered. We currently work with AQA.

If you feel that Alcester Academy could be for you, please feel free to arrange a conversation or a school tour with our Head of Science, Debbie Marshall or simply complete the application form.
