

# **Generations Multi Academy Trust Goffs Academy**

## **Science Teacher (Maternity Cover)**

**Required for April 2025**

## **Science Teacher Required for April 2025**

**The Science department at Goffs Academy is seeking to recruit a new colleague for April 2025. The successful candidate for this position:**

- Will have a passion for learning and teaching
- Believes in the right of every student to fulfil their potential
- Is or has the potential to be an outstanding practitioner, with the energy to inspire, motivate and challenge students

**In return, Goffs Academy and the Generations Trust can offer you:**

- A thriving, successful and hugely popular Department
- Opportunities to work in a range of settings and schools through the Generations Multi Academy Trust
- A school described by Ofsted as being one where “students work together exceptionally well,” and where “students are overwhelmingly enthusiastic about school”
- Outstanding, highly personalised professional development opportunities, including the opportunity to coach and be coached by others in the area’s School Direct hub school
- Outstanding career development including dedicated leadership development and coaching in a national “Leadership” school
- A forward looking, innovative and oversubscribed working environment

**Please contact the HR department on 01992 624375, or by email at [recruitment@generationsmat.herts.sch.uk](mailto:recruitment@generationsmat.herts.sch.uk) for further details.**

**Closing date for applications: Monday 10<sup>th</sup> February 2025**

**Interviews: Week beginning 10<sup>th</sup> February 2025**

Please note that the Trust reserves the right to interview before this date if strong applications are received, therefore early application is encouraged.

**The school is committed to safeguarding children and young people.  
All postholders are subject to a satisfactory enhanced DBS check.**

|--|--|

### The Science Department at Goffs Academy

This post offers an exciting chance to lead the Science department at Goffs, and to establish the department as a 'flagship' of the school's provision, demonstrating exceptional practice.

The Science department is a large, vibrant team, comprising thirteen members of teaching staff. The department is extremely well resourced, benefiting from eleven newly built Science laboratories. Staff also benefit from a team of specialist technicians to support them.

At Key Stage 3, students study topics across all three disciplines; the department has a centralised set of resources available for every teacher to use and adapt to suit the needs of their own classes. We have deliberately adopted a collaborative approach to planning to ensure that staff within the department have time to personalise their lessons, to best suit the needs of their students. There is an active extra-curricular Science programme, including the KS3 Science Club, CREST Award programme, Industrial Cadets in partnership with GSK, and a Science prefects programme for Sixth Form students.

We operate a two-year KS4 with approximately 60 students taking Triple Science each year, following the AQA Combined Trilogy and Separate Science specifications. Students have achieved consistently strong outcomes, with Triple Science outcomes being significantly above national average. In 2023, 66% of students achieved a grade 4 or above in Combined Science, 44% achieved grade 5 or above, with over 70% of Triple Science students achieving grade 7 or above.

A-Level Science is extremely popular; we currently run two A-Level Biology classes, two Chemistry, and one Physics class. We also offer BTEC Applied Science for students who achieved a grade 6 in GCSE Science and would like to pursue a Science-based career in the future.

In line with the whole school, the department has dedicated pedagogy and subject knowledge development time, which provides an invaluable opportunity for the department to come together and discuss research relating to our subject area, share learning and teaching ideas and genuinely work collaboratively to develop our practice as professionals. In recent years, this has included time for colleagues to undertake CPD led by the Institute of Physics, and Royal Society of Chemistry.

The department is keen to continue to build on our successes to date and our popularity at A-Level, under the leadership of the Director of Science.

**INFORMATION ABOUT GOFFS  
ACADEMY AND THE  
GENERATIONS MULTI  
ACADEMY TRUST**

## **INFORMATION ABOUT GOFFS AND THE GENERATIONS MULTI ACADEMY TRUST**

Welcome to our information pack about Goffs and the Generations Multi Academy Trust. We are a mixed 11-18 comprehensive Academy with approximately 1,600 students on roll, including a thriving and successful Sixth Form. Our Academy is extremely popular in the local area, with an average of over 800 applications annually for the 240 places available, and significant waiting lists for places across the year groups. On intake our students are of a level of prior attainment significantly above that of the national average. We are, though, a true comprehensive school and welcome a mix of students of all levels of prior attainment.

The school has been awarded the International Schools Award twice, Investors in People status three times, and has Sportsmark Gold and Artsmark Silver. We also hold the Secondary Geography Quality Mark, as well as being a designated Leading Edge School, and chairing the national Leadership Partner School network.

### **Professional Working and Learning Environment**

Our school was among those named as part of a £2billion Government scheme, the Priority Schools Building Programme. As a result, Goffs received a completely new build and facilities, and moved into them in January 2017. The school has further invested in an additional new building, which opened in April 2022, which includes 8 brand-new classrooms, as well as a state-of-the-art fitness centre run by Lifestyle Fitness, with whom we work in close partnership.

This significant investment of funds by the Department for Education is a further recognition of the outstanding work being undertaken by the school, and represents another fantastic opportunity for our community. Our school building provides a light, modern, professional and fit for purpose working environment for all.

### **The Generations Multi Academy Trust**

In early 2016, Goffs Academy received a direct approach from the DfE asking that they consider establishing a Multi Academy Trust and work in partnership with other schools. As a result, the Generations MAT, GMAT, was established from 1st September 2016, with Goffs as the lead school within the Trust. Subsequently, the Trust took over the former Cheshunt School and established Goffs-Churchgate Academy, which is now another thriving secondary. Goffs-Churchgate is a fully mixed comprehensive school from 11-16 years of age, with 600 on the roll. Recognising that not all children thrive in large secondary schools, the Trust made a deliberate decision to offer both a larger and much smaller secondary school for local parents to choose between. As such, the decision to cap student

numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody. Both secondaries enjoy extremely high levels of Year 6 applications, with both being fully over-subscribed. Flamstead End Primary joined the MAT from 1<sup>st</sup> January 2023, and is another highly successful, thriving and nurturing community, rated “outstanding” by Ofsted. We were pleased to welcome Andrews Lane Primary into the Trust, from January 2025. All of the schools are within close proximity of each other and share many activities, including CPD for staff. One of the Trust’s fundamental principles is that no one school is in any way more important or successful than the other. As such, CPD and other events are rotated through all schools in the Trust, with everyone learning from and sharing with each other. This collegiate and collaborative approach permeates our Trust.

From Spring 2023, the MAT opened nursery provision on the Goffs-Churchgate site, with subsidised and term-time only places for staff. The nursery is run by Ashbourne Nurseries - <https://ashbournedaynurseries.com/>

The MAT is extremely clear about its daily purpose, reflected in its motto of “No Set Destiny for Any Child.” All of our schools, leaders and staff fiercely believe in the life-changing nature of education and work tirelessly to that end, day in and day out. There is no set destiny for any of the children in our care; rather, our daily work across the piece allows children to forge new futures and destinies.

The MAT is extremely financially secure. Finances are overseen by a Chief Finance Officer with considerable financial expertise in the private sector, plus a highly experienced Finance Manager. The Trust deliberately created an Income Generation function, and extensive lettings and business development work now takes place across all sites in the MAT. This additional income – now yielding in excess of £500k per annum – underpins generous levels of staffing at both schools, plus many “extras” that would otherwise be unaffordable in the current funding climate. As one example, all teacher loadings were reduced from 19/20 as a direct result of the additional monies coming into the Trust via this income generation work.

We are looking forward to further widening our Trust and to working in partnership with both primary schools and further secondaries. Further information about GMAT can be found here: <https://generationsmat.com/>

## **Outcomes**

Our strategy for continuous school improvement has had huge success and we are actively committed to ensuring that our very popular and successful school, plus the wider MAT, continues as a centre of excellence in the community.

Exam results in 2024 were another year of huge success for Goffs. GCSE highlights include:

- Student progress of +0.24, significantly above the national average
- 72% of students achieved grade 4 or more in English and Maths and 52% achieved 5 or more in both

Crucially, students were well supported in progressing onto a range of exciting destinations. The majority of Year 11 students have continued their studies in the Sixth Form at Goffs, with all others securing a place in further education or training. 65% of Year 13 students secured a university or college place to start in autumn 2024.

At A Level, continuing the upward trend of recent years, students achieved another excellent set of exam results, including an overall 100% pass rate. The wide range of university or further education courses onto which students have progressed include Law, History, Geography, Maths, Finance, Physics and Biomedical Science, whilst many other students progressed directly into employment or apprenticeships. Our Sixth Form has an excellent reputation in the local area, over the past three years the numbers of students applying to join our Sixth Form has continued to increase, such that we now have approximately 400 Sixth Formers within our school community.

We are, of course, very proud of these outcomes. Equally, we are clear that they reflect the start of our journey, not the end. As such, we target set in the top 10% of all schools nationally and strive at all times to meet ambitious targets. We are committed to a cycle of continuous improvement and aspiration and are keen to appoint a colleague who shares that vision, determination and a restless quest for even higher outcomes. All of these factors combine to make Goffs a very exciting and rewarding community to be a part of.

### **Community**

Goffs prides itself on its sense of community – both within the school itself, and in the wider locality. Visitors to our school unfailingly comment on a very real sense of community, coupled with warmth and pride. We are members of Cheshunt Extended Services (ChExS), offering a variety of extended school and community based activities for both students and parents. Our students actively support local charity work such as the Isabel Hospice and the Rainbow Trust, and maintain strong links with our local primary schools. In addition, our young Sports Leaders regularly work in primary schools. Goffs runs a 'G-Involved' Volunteering programme, where every Sixth Form student completes 20 hours volunteering during the course of the academic year. Students are rewarded through our annual Pride of Goffs Awards evening.

We firmly believe in every student feeling a strong sense of community and on entering the school, each student is placed in one of four Houses: Eagle, Falcon, Hawk and Phoenix. Each House is led by a team of student House Captains and has a clear sense of identity. Regular competitions and assemblies strengthen this sense of community. Each year the House Captains decide on a possible group of charities to support; students in every year then vote on their chosen school charity. Students within each House then arrange a variety of fund raising events throughout the school year. The House which raises the most money in the year for our school charity is awarded the Charity House Shield. Such work is indicative of Goffs students' ability to empathise with the needs of others, and further develops their capacity to work successfully in a variety of social settings.

We regularly bring visitors from the community into school to work with students, and maintain strong links with our local secondary schools as a partner school in the Broxbourne Partnership. The school building is used for evening, weekend and holiday classes, providing opportunities for a diverse range of users including the Greek School, and local dance and sports groups.

The Goffs Student Leadership Academy actively encourages leadership development through a series of student led groups. We currently have students enrolled in the Leadership Academy from Year 7 to Year 13, with groups including:

- Student Parliament
- Community and Charity Leaders
- House Leaders
- Sports Leaders
- Top Team

The student groups each have a member of Student Parliament who is responsible for coordinating the group and their projects. Students regularly report back on their work and the impact that it is having both in and outside our school community.

A variety of annual school trips give students the opportunities to sample different cultures, whilst an extensive programme of off-site visits provides opportunities for students to experience the diversity that exists within the UK including theatre, galleries and museum visits. Our overseas trips have included Germany, Spain, USA, Czech Republic, Paris, Berlin and Reykjavik, in addition to a student exchange with a school in Beijing, and annual ski trips to countries such as Italy, Andorra or Austria. In addition, we regularly host students from Spain as part of our specialism work.

Goffs is proud to be a truly comprehensive school, with students and staff from different religions and a number of languages spoken in the school. We recognise and celebrate what makes us unique and different, and acknowledge that we are also part of one community. Our aim is for everybody to feel valued and respected and we strive hard to ensure we create a positive culture within the school to enable this to happen.

### **Care, Guidance and Support**

Successful learning takes place when students feel safe, confident, respected and valued, and are engaged. Goffs believes in supporting and nurturing all students in their quest to become successful learners. As such, we place a high value on pastoral care as an integral part of the life of the school.

We promote positive attitudes towards learning and provide a caring and supportive environment

within our community. We were delighted to see Ofsted's comments that "students' behaviour and attitudes are outstanding" and that "students feel very safe, because bullying is extremely rare and they are very confident that any incidents that concern them will be dealt with swiftly and effectively." Continuously nurturing, supporting and developing our students is hugely important to us and significant investment is made in the school's pastoral structures, including our investing in dedicated Learning Mentors for the school.

### **Staff Development**

Goffs has an extremely strong reputation for staff development, across both teaching and support staff. Developing the next generation of school leaders, both middle and senior, and future Headteachers for those who wish to pursue this, is a responsibility that we take very seriously.

We have a full suite of staff leadership development which staff can join be they an ECT or highly experienced colleague, whilst Alison Garner, Chief Executive Officer of the Generations Trust, chairs the national Leadership Partner School network, a group that brings together schools dedicated to developing outstanding leadership skills throughout their communities, and which allows us to visit other network schools, to attend national conferences and to share best practice.

During our most recent inspection, the team described our whole staff CPD programme as "outstanding" and "the best they had seen". In addition to innovative whole staff training, built into protected time within the fortnightly timetable, we disaggregate a number of hours for training every year. This allows staff development to be highly personalised as staff can opt for the training which best meets their needs, including the opportunity to do a research project in partnership with Cambridge University. All staff complete peer observations to observe best practice, and use our Iris camera technology as part of evaluating and improving their own teaching. Many use their disaggregated time to coach others or to receive coaching. Moreover, there are specific training sessions for ECTs and other interested staff which run every Wednesday after school.

We also place a lot of emphasis on 'on the job' training and support. A thorough induction scheme is available to all new staff, and mentors/buddies are assigned to guide you through those new routines. Finally, external courses can of course be booked if, on very rare occasions, we cannot cater for a particular training need in house.

### **Leadership Development**

Goffs Leadership Academy encompasses both staff and student leadership development through a series of student led groups and staff leadership pathways.

All pathways are personalised for the individual and staff receive one to one support from a mentor alongside working on a whole school project. Both support staff and teaching staff are welcome to join the Leadership Academy at any point in their career.

A full suite of leadership training is offered with a range of sessions including:

- What makes a good leader?
- Leadership and staff motivation
- Leading and managing change
- Being a Lead Practitioner
- Strategic pastoral leadership – being a Director of Learning
- Strategic curriculum leadership – being a Head of Department
- Coaching and mentoring
- Using data in leadership
- Resilience in leadership
- How to make your applications stand out

In addition, we encourage aspirant Senior Leaders to take part in the SSAT 'Stepping Up to Senior Leadership' training programme, as well as supporting colleagues to undertake various NPQs (National Professional Qualifications). As part of the school's commitment to develop future leaders, a number of the existing Senior Leadership Team gained experience through an 'Associate' SLT position before gaining substantive leadership posts.

### **Staff Benefits**

Alongside our very strong focus on outstanding professional development and promotion opportunities, we also offer a range of benefits including:

**Competitive base salary with a tailor made development plan aimed at enhancing your future [earnings] potential through:**

- High quality, personalised CPD
- Bespoke leadership development programmes
- Subsidies for Masters and Degree courses
- Secondment and shadowing opportunities
- As part of our Multi Academy Trust, "Generations", potential to work across more than one school to develop career enhancing skills and knowledge
- Supported Nursery provision with Ashbourne at any of their nurseries in the **Buckinghamshire, Essex, Hertfordshire, Northamptonshire, and Bedfordshire area:**
  - 15% discount for all Trust staff
  - Term time only places are available
- Onsite car valeting at a reduced price for Trust staff
- Substantially discounted membership to Lifestyle Fitness's state of the art purpose built gym, at Goffs Academy

**Additional financial incentives and tax efficient benefits, including:**

- Exam marker payment of £400 plus 2 days paid leave to do the marking (1<sup>st</sup> year)
- Childcare voucher scheme
- Payments for staff taking weekend sporting fixtures: staff paid £200 for leading a minimum of six Saturday fixtures plus 6 weekly training sessions
- A daily allowance of £50 for school trips taken over a weekend or any school holiday

- A £1,000 Employee Referral Scheme (i.e. finder's fee) for any qualifying positions that you refer the successful candidate for: £500 on the person starting, and £500 if the person is still at the school 12 months later

**Access to a wide range of health and well-being resources including:**

- New, professional and fit for purpose £20million working environment
- Free use of gym
- Occupational Health & counselling support
- Free flu jabs
- Subsidised social events
- 100% attendance reward – day in lieu, taken at the school's discretion
- Free tea, coffee and milk for staff
