Mossbourne Federation

The Mossbourne Federation is the realisation of Sir Clive Bourne's dream to provide the children of Hackney with an outstanding education. Over the last twelve years the Federation has nurtured Sir Clive's dream by fostering kind, courteous, hard-working and well-rounded learners by providing an outstanding education based on the core values of 'Excellence', 'No Excuses' and 'Unity'. Through upholding these core values, Mossbourne will be the first academy federation whose schools are without exception, exceptional. The Federation's calm working atmosphere creates well-rounded individuals who excel in the arts, on the sporting field and academically. All learners, regardless of ability, benefit from the innovative and enlightened approaches to teaching and learning within The Mossbourne Federation. The Mossbourne Federation comprises four academies: Mossbourne Community Academy (secondary and which includes The Mossbourne Federation Sixth Form), Mossbourne Victoria Park Academy (secondary), Mossbourne Parkside Academy (primary) and Mossbourne Riverside Academy (primary).

Mossbourne Community Academy

The Mossbourne Federation's flagship academy, Mossbourne Community Academy (MCA) is built on high expectations and doing right by the pupils in our care in order for them to succeed. MCA has not only changed the face of education in Hackney, but has also raised the bar in educational expectations to the highest level; we achieve recognition nationally for setting a new benchmark for non-selective comprehensive education. All pupils, regardless of background or ability, are encouraged to achieve their true potential and the behaviour of our pupils is exemplary. With outstanding GCSE and A-level results, year on year, Mossbourne Community Academy is placed within the top 1% of schools in the country. We are tremendously proud that our most recent Ofsted Inspection, dated November 2021, judged the academy as 'outstanding' and starts with the sentence 'Mossbourne Community Academy changes pupil's lives for the better' because that is what we do, year on year.

The Science Department

The Science Learning Area includes departments for KS3 Science, Biology, Chemistry, Physics and Vocational Science. With over twenty specialist science teachers, all passionate about delivering outstanding science lessons, it is an extremely exciting place to teach science.

The Learning Area is very well resourced and comprises:

- Nine laboratories - each with an interactive whiteboard and visualiser.
- Two excellently equipped prep rooms with experienced technicians and a prep room assistant.
- A computer room with 32 networked PCs.
- Two well-equipped staff offices.

In 2021, we achieved some outstanding results. Highlights include:

GCSE Chemistry

- 44% grade 9.
- 97% grade 7 and above.

A Level Chemistry

- 50% A*-A.
- 90% A*-C.

The Science Teacher Role

The successful applicant will be passionate about science and science education. They will be well organised, energetic and willing to go the 'extra mile'. They will hold Qualified Teacher Status (QTS), have a proven track record of successful science teaching across different key stages and believe that all students can succeed in science.

Key Accountabilities

The post holders' key responsibilities are, but not limited to:

- Promoting and being committed to the Academy's aims and objectives and to implement Academy policies;
- To work with the Head of Learning Area, Head of Department and other staff members to ensure the effective provision of teaching and learning in science
- To plan and deliver high-quality, differentiated lessons on a day-to-day basis
- To contribute to the development of schemes of work
- To set homework in accordance with Learning Area policy and to mark work regularly to aid progression, keep clear records of attainment and follow up on non-submission
- To keep abreast of developments in science and ensure that these changes are implemented in lesson delivery and schemes of work
- To organise and run enrichment opportunities and support interventions for students within science, including the extension class programme, G&T sessions, trips etc.
- To undertake duties as directed and in accordance with Academy expectations
- To be a member of the pastoral team and, if required, a form tutor carrying out the associated responsibilities
- To oversee Prep lessons, including delivery of 'Bourne Scholar' sessions, as directed and in accordance with Academy expectations
- To comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description

The Mossbourne Federation is actively seeking to increase the proportion of our workforce who come from diverse backgrounds. We particularly welcome applications from people of Black, Asian and other minority ethnic descent.

Injustice, discrimination and intolerance go against the core tenets of the Mossbourne ethos. We actively reject discrimination in our academies through continuous review of our working policies & practices across the federation, including at board level.

We are committed to developing and supporting inclusivity, diversity and anti-racism in every facet of what we do.
