Girls' 11-18 Comprehensive, NOR 1152, 230 in Sixth Form

Teacher of Science (January - July 2022) Teachers' Main Scale or Upper Pay Scale + OLF

Newlands is a successful and over-subscribed girls' 11-18 comprehensive school with a strong reputation for academic achievement. During our recent Ofsted inspection (October 2018) we were graded as Outstanding.

Our excellent GCSE results put us consistently in the top 10% of schools nationwide with 89% achieving passes in both Maths and English. We also have an outstanding success rate at A-Level with a 100% pass rate and 89% at Grades A*-C.

We are seeking to appoint from January 2022 an enthusiastic teacher to join our Science Department until July 2022. Science is a key subject within the school with all students taking either Separate or Combined Science at GCSE. In 2019, 83% of students achieved 9-4 at GCSE, placing the Science Department among the top schools in the country. At A-Level, 64% achieved A*-B for Biology, 56% achieved A*-B for Chemistry and 50% achieved A*-B for Physics.

The post would be suitable for an NQT as well as a more experienced applicant.

We are looking for:

- A committed and enthusiastic Teacher of Science
- A colleague who can contribute to the development of our pupils as confident and independent learners.

We can offer you:

- A school where colleagues are supportive and where pupils are highly motivated.
- A dedicated department with a high level of expertise.
- A school where behaviour is excellent and discipline is strong.
- A school where Science has a high profile and results are good.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful applicant will be subject to an enhanced Disclosure and Barring Service check.

Further details of the post and an application form are available on our website at www.newlandsgirlsschool.co.uk or from Mrs Bateson, the Headteacher's P.A. Letters of application and completed forms should be sent to Miss J. Capon and Mr M. Henshaw, Acting Co-Headteachers, **by noon on Friday 3rd December 2021.**

We reserve the right to close the application early should we receive an overwhelming response.
