

Job Advert

Teacher of Science (Physics)

Permanent full-time post

Would consider part time or job share applications

Required from: 1st September 2023

We are seeking to appoint a motivated, hardworking, enthusiastic, and passionate Teacher of Physics, who can inspire students of all ages and abilities to join our values-based school set in the heart of a picturesque Oxfordshire market town.

Our strong and motivated team of teaching and non-teaching staff are committed to providing the best education they can and have an energy and enthusiasm which makes FCC a rewarding place to work. We are seeking to appoint a motivated, hardworking, enthusiastic and passionate teacher of Science, specialising in Physics, who can inspire students of all ages and abilities. The successful applicant will be passionate about their subject and will be required to teach KS3 Science, KS4 Physics and possibly KS5 Physics.

Faringdon Community College is a successful and well-established 11-18 co-educational secondary comprehensive school, which embraces the idea of lifelong learning and community education. The school has an excellent local reputation and is known for inspiring exciting teaching and learning, where teachers are supported and encouraged to help every student, aiming to achieve individual success and realise their potential.

As a dynamic organisation, we are always looking for new ideas and ways forward. Our strong and motivated team of teaching and non-teaching staff are committed to providing the best education they can and have an energy and enthusiasm which makes FCC a rewarding place to work. Faringdon Community College is part of the Faringdon Learning Trust-an eight school multi-academy trust, which was established on 1st April 2012. Our school roll is continuing to rise and, including sixth form, there are currently over 1400 pupils on roll.

This is a position in a forward-thinking department for someone with energy, enthusiasm, and the ability to engage and motivate students. There will be opportunities to develop your role within the department according to your skills and interests, with a possibility to teach GCSE Astronomy. As a learning organisation we provide excellent opportunities for professional development. All applicants are welcome, including ECTs, as a full induction and support programme will be given.

If you have any questions, would like any further information or would like to arrange an informal visit to the school, please contact our Trust HR Team, by emailing Recruitment@faringdonlearningtrust.org, who will put you in contact with the Subject Leader. An applicants' pack, giving further details for the above post, can be found on our website: <http://www.fccoxon.co.uk>.

Online applications can be completed at <https://faringdonlearningtrust.org/work-for-us/>

Closing Date for applications: 31st January 2023

Interviews will take place week commencing: 6th February 2023

Faringdon Community College and Faringdon Learning Trust are committed to safeguarding and promoting the welfare of all children and preventing extremism. We expect all staff and volunteers to share in this commitment. All post holders in regulated activity are subject to appropriate vetting procedures and a satisfactory Disclosure and Barring Service (DBS) Enhanced Check. Shortlisted candidates will be subject to online searches for publicly available information.

Faringdon Learning Trust is an equal opportunities employer and we welcome applications from a range of backgrounds to represent diversity in line with our schools' community.
