Wollaston School rated 'Good' by Ofsted May 2023

TEACHER OF SCIENCE (Physics Specialist) MPS / UPS & Applications from ECT's Welcomed.

(Required For September 2025 start or sooner if available—Permanent Position)

We are seeking to appoint a dynamic and inspirational Teacher of Science with Physics as their speciality to join our team of highly committed scientists. Candidates must have the ability to teach science at Key Stage 3 & Key Stage 4, with Key Stage 5 being an advantage. Early Careers Teachers are welcome to apply and we offer a fully supported programme, including regular subject specific mentoring and whole school training. The successful candidate will be committed to ensuring excellent outcomes for every student.

Science is taught as a core subject at KS3 and KS4, with many students wishing to pursue the Separate Science (Triple Science) course at KS4. KS5 is very popular and we have a strong intake in all three of the Sciences. The opportunity to develop KS5 teaching is encouraged in the department with plenty of CPD and training available.

The Science Faculty is comprised of a team of well-qualified specialists, with the support of 2 full time and 1 part time technicians. The faculty is housed in a purpose built science block, with 11 dedicated laboratories.

This is an exciting opportunity for any individual who wishes to develop their career in a welcoming, ambitious and supportive school with a dedicated team of teachers and a fantastic cohort of students.

Closing date for receipt of applications: 9.00am Friday 28th February 2025

Interviews Expected to be held during w/c 3rd March 2025

Please contact recruitment@wollaston-school.net for an application form, further details about this role or to arrange a visit.

Wollaston School is committed to safeguarding and promoting the welfare of children and young people, we expect all our staff and volunteers to share this commitment. This post is subject to an enhanced DBS check.
