

Teacher of Science (Physics)

Job ref: 234/2025

Full time or part-time considered

NOR: 600 (360 at Post-16)
Age range: 13-19 years
Start: September 2026
Salary: £32,916 - £51,046 (dependent on qualifications and experience)

UTC Derby Pride Park opened in December 2019 and provides a new and dynamic education. It opened within The Sheffield UTC Academy Trust, which has a wealth of experience with two UTCs in Sheffield graded Ofsted Good. UTC Derby Pride Park has benefited significantly from joining our successful Trust as demonstrated in strong examinations outcomes, destinations and significantly oversubscribed in all year groups. UTC Derby Pride Park was Graded Good overall with Outstanding for behaviour and attitudes in December 2023.

As a Trust we aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting-edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally. Our Trust destinations are testament to our success with students progressing to Russell Group Universities, including Cambridge, and securing higher level apprenticeships and employment at companies such as Boeing, Toyota, Bauer Media, BP and The Royal Navy.

We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow.

We are looking to recruit a suitably qualified teacher who can support the delivery of Science as a Physics specialist, who can also support the delivery of our Engineering specialism, you will work alongside the staff team to further develop a centre of excellence focusing on Engineering & Manufacturing along with Health & Life Sciences. Under the direction of the Curriculum Director, you will support the delivery of a range of qualifications. These include Combined and Triple Sciences at KS4 and A-Level Physics, the ability to also support aspects of the Engineering specialism which includes Cambridge National L2 Certificates in Engineering Manufacture, Engineering Design or Systems and Control along with BTEC L3 Engineering at Post-16 would be an advantage.

You will be a highly skilled practitioner who understands the challenges of educating 13–19-year-olds in an employer-led technology-rich environment. Effective partnership working is absolutely critical to the UTC's success. We also welcome applications from newly qualified teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals. Resilient, driven and focused, who will continue to drive forward a pioneering institution.

Closing date: Sunday 11 January 2026

Interviews: Tuesday 20 January 2026

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. Successful applicants will be required to have an enhanced DBS check and will be subject to safer recruiting policies and procedures.
