

SIDMOUTH COLLEGE

Teacher of Science

Welcome to Sidmouth College

Dear Applicant

Thank you for your interest in the post of Teacher of Science at Sidmouth College. The College currently has 906 students on roll of whom 150 are in the Sixth Form. The majority of our students are drawn from four local feeder schools, in Sidmouth, Sidbury, Newton Poppleford and Branscombe. The College is in a beautiful setting within the Sid Valley and the East Devon area of outstanding natural beauty.

Our vision is for vibrant and inspirational teaching that raises aspirations; challenges and engages, and prepares every student for lifelong learning. At Sidmouth College learners *believe* they can *succeed*, teachers *inspire* and everyone strives to be the best that they can be.

The College buildings sit within an attractive 13 acre campus and staff take every opportunity to make use of the natural environment on our doorstep to support students' learning and creativity. The vast majority of our 1960s buildings have now been replaced with modern, state of the art facilities, including classrooms, technology workshops and seven new Science laboratories and preparation facilities which create a fantastic modern learning environment.

We were delighted to be again judged as Good in the most recent Ofsted report in 2016, which recognised our continuous improvement in achieving positive outcomes for all students.

The enclosed job description outlines the responsibilities of the role but put simply the successful candidate must:

- have a clear, well communicated understanding of good, successful teaching and learning
- possess the skills and determination to make a significant difference to the lives of our students
- be relentless in building students' self-esteem and encouraging students to aspire in Science

If you have any questions please contact the Leadership Team Assistant, Mrs Jo Liddle, on 01395 514823 or jliddle@sidmouthcollege.devon.sch.uk

Yours faithfully

Mrs S Parsons
Principal

Introduction

Sidmouth College is a thriving 11-18 community college located in the Devon countryside.

At Sidmouth College the individual is right at the heart of what we do. Students achieve academic success, develop their creativity, excel on the sports field and encounter a multitude of new experiences in a safe and enjoyable environment, encouraged by a team of dedicated and highly experienced professionals. At Sidmouth College we believe that the vibrant learning community, coupled with a culture of high standards and expectations, brings out the very best in every student and establishes abundant possibilities for their future.

Our Ethos—Believe, Inspire, Succeed

- Every learner believes and succeeds in fulfilling their potential and is inspired to lead a happy, healthy and successful life within a challenging and rapidly changing world.
- All learners have access to inspirational teaching that leads to outstanding learning and achievements which continues beyond the classroom.
- All learners have access to a high quality, relevant and appropriate curriculum that fully meets their needs and supports an engaging and inspiring learning experience.
- We inspire learners to believe in the contribution they can make to their learning, the College and the wider community. Learners take responsibility and develop resilience throughout their learning journey with clear support and guidance.
- All levels of leadership are focused on providing a vision, direction and culture in which all are inspired to believe and succeed.

A caring and supportive community

Care, guidance and support are strengths of the College. Students are organised in vertical tutor groups led by a tutor who monitors academic progress, student well-being and student development. Each tutor group is in one of four Houses - Drake, Grenville, Raleigh and Scott. The tutor group meets at the beginning of each day for registration, support and guidance.

The team of tutors is led by a Head of House who maintains a close overview of the work and wellbeing of the students. In addition, the School Counsellor and the Student Development Centre/pastoral team make a valuable contribution.

A stimulating and exciting learning journey

Learning is an adventure to be enjoyed; a journey that stretches, challenges and opens minds. Our stimulating and engaging curriculum delivers exciting opportunities in the classroom and beyond. Our overarching aim is to provide our young people with the skills and qualifications they need to become happy, successful adults with a passion for lifelong learning. Our Key Stage 3 programme aims to raise the ambitions of all students; developing knowledge, skills and understanding and promoting confidence in their abilities. At Key Stage 3 we ensure students experience learning in a wide range of subjects, including the Arts, Technology, Computer Science and Modern Foreign Languages.

In Key Stage 4 students have the opportunity to study a range of personalised pathways, designed to support their individual talents and interests and maximise their achievement and success. At Key Stage 4 all students study a core curriculum of English Language and English Literature, Maths, Chemistry, Physics, Biology, PE and RE in addition to three option subjects.

At Key Stage 5 we offer a wide range of A Level qualifications and the vast majority of students choose three linear subjects, with some choosing to study four.

Appointment Information

Appointment Information

This is an exciting opportunity for someone wanting a key role in Sidmouth College. If you are a well-qualified, ambitious and inspirational teacher who can demonstrate a real passion for Science, with commitment to make a difference to the lives of our students by raising standards, achievements and expectations, then we would welcome your application.

The successful candidate will have a high standard of teaching and learning and have the ability to think creatively and strategically.

Excellent curriculum knowledge and an awareness of the recent recommendations to improve pedagogy in Science education is essential. The successful candidate will be expected to teach Science to GCSE and another Science to A Level. They must possess the ability to enthuse and inspire students by sharing their passion for the Sciences. A specialism in Physics or Chemistry is desirable but not essential.

At Sidmouth College, we are always keen to invest in potential and this post would suit someone who is committed to their own and other continuous professional development, and has aspirations of further progression.

This is a full time post commencing in September 2023 which would suit an experienced teacher of Science or a NQT.

The Science Department

The Science department consists of a team of seven experienced teaching staff and four technicians.

This is a strong team, as seen in all observations, with plenty of leadership experience at subject level. There are currently seven dedicated laboratories. The successful applicant will be joining an experienced, forward thinking department.

The Curriculum

At KS3, we follow schemes of learning written in-house to meet the needs of the QCA National Curriculum. KS3 students finish the curriculum at the end of the autumn term in Year 9 and start their GCSE Science course at the start of the spring term.

The KS4 curriculum follows the new AQA GCSE courses. Combined Science students follow the AQA Trilogy course, while three separate AQA Sciences are offered as an option for all students who are interested and might wish to pursue a career in the Sciences.

All Science teachers are expected to be able to teach across the specialisms up to GCSE, although the Separate Science GCSEs are taught by subject specialists.

Post 16 classes are small and enthusiastic and have historically achieved very well in their exams. A Level Biology, Chemistry and Physics all follow the AQA specifications and we also offer BTEC Science for students who might want to follow a more vocational pathway.

The Science department has strong links with the Sidmouth Science Festival and works collaboratively to involve our students with numerous exciting opportunities in and outside the classroom.

Application Process

The closing date for applications is **Friday 3rd March 2023 at 12.00noon**

Interviews will be held in week commencing **6th March 2023**

Completed applications should be submitted through TES.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. A copy of our safeguarding policy can be found here: [Safeguarding](#). This role falls under KCSIE regulated activities and, as such, it is an offence to apply for the role if you are barred from engaging in regulated activity relating to children. The successful candidate will be required to undertake an Enhanced Disclosure and Barring (DBS) check. Please ensure you read and understand our Privacy Notice, which can be found on our website, before applying. We make appointments in accordance with our Recruitment and Selection Policy.

Sidmouth College is an equal opportunities employer.

Full time Teacher of Science

Post: Teacher of Science —Full time Permanent from 1st September 2023

Scale: TPS

Responsible to: Head of Department

This job description is not a comprehensive definition of the post. Discussions will take place on a regular basis to clarify individual responsibilities within the general framework and character of the post as identified below. The conditions of employment of teachers in the School Teachers' Pay and Conditions of Service Document apply to this post, whose holder is expected to carry out the professional duties of a teacher as circumstances may require, under the reasonable direction of the Principal.

Core purpose of a class teacher:

To be an effective teacher (and tutor) who supports and challenges all students to achieve their full potential. To secure high levels of expectation and attainment, and promote high levels of participation in both the formal and informal curriculum of the College.

Accountabilities:

- To maintain a thorough and up-to-date knowledge of the teaching of your subject and take account of wider curriculum developments which are relevant to your work.
- To plan lessons/activities/tutorials and sequences of lessons to meet students' individual learning needs.
- To use a range of appropriate strategies and follow College policies for teaching/tutoring, behaviour management and classroom management.
- To do all that you can to ensure that you safeguard and promote the welfare of students in the College.
- To set well-grounded expectations for students in your teaching and tutorial groups using information about prior attainment.
- To assess, monitor and record the progress of students in your teaching (and tutorial groups) and give them clear and constructive feedback.
- To do all you can to ensure that, as a result of your teaching (and tutoring), your students achieve well relative to their prior attainment, making progress as good as or better than similar students nationally and in the College.
- To take responsibility for your own professional development and use the outcomes to improve your teaching (and tutoring) and your students' learning.
- To make an active contribution to the policies, aspirations and plans of your year group, of your curriculum team and of the College.
- The teacher will play a critical role in the life of the College. They will provide a role model for teaching and learning, make a distinctive contribution to the raising of students' standards and contribute effectively to the work of the wider team. They will take advantage of the appropriate opportunities for professional development and use outcomes effectively to improve students' learning.

Performance Appraisal

Your annual performance review is based on this overall job description and with particular emphasis on your individual annual targets. These are set in discussion with your line manager and grouped under the headings: Professional Development; Departmental Improvement Plan; Student Progress.
