

Job Vacancy

Teacher of Science

Full time (initially 12 months fixed term) Main Scale and NQT/Early Careers Teachers

Sir John Nelthorpe School is a successful and popular 11-19 mixed comprehensive school with a rapidly growing roll (currently 775 students including 6th form). It has a caring ethos and a long tradition of academic attainment.

We are seeking to appoint a dynamic, enthusiastic and well-qualified Science teacher who will join a successful and supportive faculty to teach Science across key stages 3 and 4 and with the opportunity to teach at key stage 5. This is a full-time post to start from September 2022. (An earlier start date may be available for the right candidate)

The post is suitable for experienced as well as newly and recently qualified teachers, including those who will have completed their training by September 1st 2022, with excellent induction and professional development programmes available at all levels. It would be advantageous if candidates aspire to, or have experience of teaching A Levels, but this is not essential. The successful candidate will have the skills and abilities to engage and enthuse different types of learners and to work productively as part of a team. Our pupils are looking for a teacher with drive and creativity, but most importantly a passion for their subject.

If you feel this opportunity interests you, we look forward to receiving your application by post or by email to admin@nelthorpe.org.uk by 9:00am on Monday 31st January 2022.

Sir John Nelthorpe School is committed to safeguarding and promoting the welfare of children and young people and expects all

staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS check and supportive references.

Further details and an application form can be found below
