In an educational landscape where change is constant, we attempt to keep the 'main thing the main thing', addressing practice and behaviours which will make a difference in a strategic, time-efficient manner.

As an Academy, we seek to embrace new methodologies whilst maintaining a balance with traditional practice, to bring about examination success. All students at Key Stage 3 and 4 have a 1:1 mobile device; this is an example of our commitment to use modern technology to maximise learning. Recent development of the site has enhanced the resources available to staff

We enjoy strong links with local churches, Primary Schools and Blackburn Cathedral where we gather for eucharist each term, and our traditional Nine Lessons and Carols service at Christmas.

# OUR VISION

*Lord direct us to **live** life to the full*

Our vision statement for the Academy derives from two places:

- 1) Our motto '*Domine Dirige Nos*', which translates to '*Lord Direct Us*'; and
- 2) A verse from the 10th chapter of the gospel of John, which reads:  
*"The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full."*

We believe that this life should be lived out to the full, through direction and guidance from the Lord. Our hope is that the daily experiences within the Academy enables students to develop holistically; growing in character and valuing all others.

Students will **learn** values through academic study and everyday interactions. They will be **inspired** by the spiritual and enriching out-of-lesson experiences, and in turn, inspire hope in others. Students will become stronger, well-rounded and content individuals who **value** themselves and others. They will be given opportunities to develop and **experience** a fully-inclusive environment.
