Headteacher: Nicola Clear, B.A. Hons.

January 2025

Company No: 10499174

Dear Colleague

Full time Science teacher required from September 2025.

Thank you for your interest in the above post.

The Chantry School, part of the Heart of Mercia MAT, is a very successful, over-subscribed school, located in the West Worcestershire village of Martley. We serve a predominantly rural catchment area and offer education from 11–16. The school is rated good, and our GCSE results are consistently high. In summer 2024 our P8 score was +0.18. The science department delivers both Combined and Separate Sciences, with strong outcomes evident for all courses and pupils. In Summer 2024, 65.4% of pupils on Combined Science achieved >4+, with Separate Sciences achieving 100% in all 3 subjects.

The success of the school is rooted in a belief that we will continually strive for the very best for each child, both academically and pastorally. Attendance is excellent, as is behaviour which leads to an exceptionally good climate both in and out of lessons. Teachers, support staff and pupils work well together, with a strong sense of community evident. Pupils are keen to learn, and the school is an excellent place for teachers to thrive in delivering their subject. Visitors to the school often comment on the positive atmosphere in lessons and corridors. We benefit from a strong and involved governing body and supportive parents.

The successful candidate will be able to teach across the age and ability range, and with excellent subject knowledge be able to contribute to current educational initiatives. He or she will be passionate about their subject, be an excellent communicator and have the ability to inspire young people to exceed their expectations. The successful candidate will be confident to teach across all 3 sciences, although we recognise s/he will have a specialism. Support will be provided to develop skills in other science subjects.

The school has an active Teaching and Learning community that ensures we share and maintain highly effective practice and professional dialogue and challenges us to be the best we can. We are seeking practitioners who are keen to develop their skills in this environment, whatever their current level of experience may be.

If you would like to take a tour of the school, we will be available at the following times:

- Thursday, 30th January: 11:10 - 12:40pm
- Tuesday, 4th February: 09:00 - 11:00am
- Friday, 7th February: 13:15 - 14:15pm

To book a place on one of these tours, please contact my P.A., Lesley Webb, at 01886 887100 or via email at lwebb@chantryschool.com.

If you feel, after examining all the information, you would like to apply we will welcome your application; should this not be the post for you, we wish you well in your future career.

Applications should consist of a completed Chantry School application form and a covering letter, which should address the person specification.

The closing date for applications is 9:00 am on Monday 10th February. Interviews will be held on Wednesday, 12th February.

I look forward to hearing from you.

Yours sincerely

Nicola Clear
Headteacher
