

## REASONS TO TEACH AT TPS

- The staff are fantastic and so are the students! You will enjoy every day working here and children often, spontaneously, say “Thank you” at the end of lessons!
- We “train you on” in an outstanding educational environment, so that you are ready for your next post, whether it be promotion with us, which happens frequently, or moving elsewhere.
- Despite us being heavily oversubscribed, children of staff receive a high priority for a place at TPS
- At TPS we remain wholly dedicated to looking after our own staff. You will get an excellent induction, which has been highly praised by previous participants and external evaluators.
- As part of the Bohunt Education Trust, there are additional career opportunities to work within a large community of like-minded professionals across the Trust such as Subject Directors and Lead Teachers. In 2017 we opened a joint Sixth Form with Bohunt School in Liphook.
- You get to accompany the children on the most amazing school visits. Colleagues have previously visited Rome, New York, Sorrento, Los Angeles, Barcelona, Toronto and Paris. Trips have included football in Milan, trekking in Peru, skiing in France, meditating in India, adventures in Iceland and the rainforests of Borneo!
- Behaviour is outstanding, and you get to actually teach rather than “firefight”, allowing you to develop your craft, whatever stage you’re at in your career.
- Petersfield is a lovely town to live and work in, but is easily commutable from Portsmouth, Winchester, Southampton, Guildford and Chichester.
- We support you if you want to develop your own learning.
- You will work with Senior Leaders you can trust, who are very human and all still teach!
- A fantastically supportive Associate Staff committed to working in any way possible to enhance the experience of TPS staff and students.
- A friendly Staff Association which organises gifts, nights out and other fun activities.

Proud to be part of the Bohunt Education Trust
