# ABOUT US

The Misbourne officially opened on 20 January 1956 and was the first modern-built secondary school in the UK. Over the years the school has expanded and developed to include many more facilities and buildings for our students and staff while retaining its modern, open feel.

In January 2018, The Misbourne converted to a single academy. Today, we are a multi-cultural, co-educational school with 1,069 students currently on roll: one hundred and eighty students in each year group 7-11 and 170 in our growing Sixth Form. The Misbourne has more than 100 teaching and support staff who work as a team to achieve our mutual goals.

## The Misbourne Campus

The Misbourne enjoys a spacious and attractive campus which provides purpose-built, subject-specific areas, tennis courts and extensive playing fields. The academy is fortunate to have a new building for the Sixth Form, English department and café; three new IT suites; and a multi-million pound brand new sports centre, including a fitness suite and dance studio. The campus also provides free staff parking.

## What makes The Misbourne unique?

Our vision is simple yet unashamedly ambitious: “To develop world-class students who have the belief in themselves that anything is possible and lead happy and successful lives.” Our staff are passionate about providing a first-class educational experience for the students in their care. We believe that, through clarity of vision, collaboration and dedication, we can achieve great things for our young people and for the staff who join us on our journey.

We believe that any barrier to learning can be overcome. The academy has a highly-motivated and professional atmosphere where everyone strives for educational excellence in every lesson, every day. We have high expectations, which are actively promoted in all aspects of life at The Misbourne. The academy’s learning environment allows all students to flourish through mutual respect, kindness and a strong desire to achieve.

## Ethos, Culture and Values

The Misbourne is recognised for setting high standards through its innovative and collaborative approach. It is a friendly, family-oriented learning community with the fundamental purpose of providing a world-class education for all its students. In order to accomplish this, Misbourne staff share the following ethos and values:

- We have a culture of sharing best practice and finding ways to say yes to what works best for our staff, students and the whole community.
- We believe that students learn best when they are valued, inspired, curious and happy.
- We believe that all our students can become confident, resilient and courageous.
- We encourage students to discover their own passions and achieve their best.
- We believe that the learning habits developed by students are just as important as the knowledge and understanding they acquire during their time at The Misbourne.

The Misbourne is an academy where every student matters; where our professional and passionate staff work hard to instil the belief in students that they can achieve more than they ever thought possible.

Through inspiring teaching; excellent pastoral care and strong partnerships with families and the wider community, our students leave us with the qualifications, skills and values needed to lead happy and successful lives.

## What our staff say:

Our staff tell us that they genuinely feel like part of a team; a team which is striving to help each student to flourish both academically and personally:

Now, five years on, I am fully qualified and have completed my NQT year. The staff and students make The Misbourne an exciting and enjoyable place to improve skills and develop as a teacher. Support and guidance is always available and colleagues are kind and encouraging. I feel very lucky to have been given the opportunities I have had at The Misbourne."*

Exemplary staff training and mentoring offered at The Misbourne allows every curriculum area the opportunity to ensure that all students obtain excellent teaching; this is mirrored as solid progress throughout the academy. Building strong relationships between families, students and teachers is pivotal in the continued success of the academy and is a key factor in its success and popularity."*

**Kerry Cato, Curriculum Leader Technology**

## What Ofsted says:

In May 2022, The Misbourne had a [Section 8 Ofsted inspection](#), which confirmed that the school continues to be a GOOD school. The report highlighted the high expectations that all staff have of students and that students rise to these high standards. Inspectors found that leaders have planned a broad and ambitious curriculum, that the provision for the wider development of pupils is a strength of the school and complimented the school's strong pastoral systems:

*"Pastoral care puts the child at the heart of everything the school does. Families are seen as an essential part of a pupil's success at school."*

*"Relationships between staff and pupils are strong."*

*"Teachers have strong subject knowledge. They design appropriate activities to engage pupils of all abilities in lessons."*

*"Leaders and staff share high ambition for pupils with special educational needs and / or disabilities (SEND). Pupils with SEND learn alongside their peers, with modified or adapted work carefully designed to enable them to achieve the best possible outcomes."*

*"Careers education, information, advice and guidance is a strength of the school. Ambitious and capable leadership brings expertise and enthusiasm to the coherent programme offered to all year groups."*

*"No low-level disruption was observed in any lessons. Pupils' conduct around the school is orderly and calm."*

*"Pupils told inspectors that the clear and fair behaviour system helps them to behave well."*

*"There is a high degree of consistency of teaching approaches across subjects and year groups."*

*"Students in the Sixth Form speak positively about the leadership opportunities afforded to them."*

# WHERE IS THE MISBOURNE?

Our academy is situated in the picturesque village of Great Missenden in the heart of the Chilterns, an Area of Outstanding Natural Beauty, just 27 miles from Oxford and 37 miles from Central London.

Great Missenden closely adjoins the villages of Little Kingshill, Little Missenden and the larger village of Prestwood. The towns of Amersham, Chesham, High Wycombe and Aylesbury are nearby. Great Missenden's narrow and historic High Street is bypassed by the main A413 London to Aylesbury Road. The village is best known as home to the late Roald Dahl, the world-famous author. The Roald Dahl Museum and Story Centre as well as the Roald Dahl Foundation are located on the High Street.

## Transport Links

The Misbourne offers free on-site parking to all staff.

Great Missenden is well connected to London and the Midlands:

**By road...** Lying just outside the M25, access to London, the Midlands and airports is very easy via the M40, M4 and M25.

**By train...** Great Missenden mainline railway station, which is a 10-minute walk from The Misbourne, provides direct trains to Central London in just over 40 minutes and to Aylesbury in around half an hour. You can hop onto the London Underground Metropolitan line at nearby Amersham or Chesham.

**Nearest airports...** Great Missenden is close to both Luton (27 miles) and Heathrow (24 miles) airports, convenient for family holidays or weekend European city breaks.
