SCIENCE TEACHER September 2023

We are looking to appoint an experienced Science teacher to join our team in September 2023. You will have a proven track record of success in the field, and be looking to take on additional responsibilities to further develop your career.
Woodside High School is a good (Ofsted 2022) and oversubscribed 11-16 comprehensive school and we are currently expanding to an eight form entry school. Our students progress exceptionally well (P8: +0.48) and we take pride in our strong values of academic achievement, equality of experience and respect for all.
Our strong systems ensure you can focus on your core purpose of teaching: robust behaviour systems, highly visible and supportive middle and senior leaders, robust teaching and learning framework
We offer:

- Commitment to professional development within school and through our network of schools
- Collaborative leadership at both department and senior level
- Excellent support and guidance for NQTs
- Excellent career development
- A convenient location in Wood Green, with excellent transport links (Piccadilly line)

Why Science is a great department to work in?:

- Lead department in teaching and learning.
- Excellent outcomes at GCSE. (The percentage of students gaining an 9 - 5 grade has been +90% for the past 5 years.)
- Strong team of staff including the HOD and two experienced technicians.
- Excellent behaviour systems which enables all learners to make rapid and sustained progress.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We reserve the right to do online and social media checks. The successful applicant will be subject to an enhanced DBS check.
