

Teacher of Secondary Maths

Pay Scale: MPS/UPS

Hours: 1.0FTE (would consider part time)

Deadline: Midday, 2nd May 2023

Interviews: Week beginning 8th May 2023

Start Date: 1st September 2023

The Governors and Principal are seeking an exceptional maths teacher with the energy and vision to teach maths at Chichester Free School. This is an opportunity for a permanent full-time position, for a September 2023 start.

We are looking for strong academic credentials but also experience of working in a school committed to our values and ideals, where the co-curricular offer is as vital as the rigour of the taught curriculum. The role will be an outstanding educator with the ability and drive to offer the highest quality of teaching and learning. As an all through school there may be opportunities to teach across all phases, for the right candidate, but this is primarily a Secondary post.

CFS follows national pay scales; this role would be equally suitable for a newly qualified or more experienced teacher. The Upper Pay Scale would be considered for the right candidate and on the agreement of a whole school responsibility in addition to the role outlined below.

The School

CFS is a non-profit making, state-funded school, established in response to real demand within the local area for a greater variety of schools. We have been open since 2013, and are now fully established in our state of the art facilities on the Carmelite Convent Site on the Hunston Road in the south of Chichester. We are full in all year groups from Years R to 11, with waiting lists in most phases of the School. Our PAN is 60 in primary, and 120 in Secondary. Although most year groups are over subscribed.

Since 2013, CFS has achieved two 'Good' Ofsted Inspections. As a school we are now striving to be outstanding and to achieve above average outcomes in all phases. Our values of 'nurture, challenge and inspire' influence everything we do as a school, and permeate all areas of school life.

CFS is open to pupils of all abilities. We do not have a catchment area, thus ensuring the School is fair and inclusive. We take part in the West Sussex County Council (WSCC) admissions process. As a Free School we benefit from the same freedoms and flexibilities as academies, and are subject to the same Ofsted inspections and rigorous standards as all state schools. For more information on our ethos and values, prospective applicants are strongly encouraged to look at our website: www.chichesterfreeschool.org.uk.

The Maths Department

Our highly qualified and successful Maths department consists of a seven strong team with six dedicated classrooms and strong leadership from both a Head of Department and 2i/c.

Our results have been increasing year on year with last year's 4+ results good. As a department we are committed to a top and second set, with parallel set teaching, allowing flexibility of setting and small class sizes in all year groups.

All five of our classrooms are set up for 360 degree learning, a practice that helps to boost engagement and AfL opportunities. In addition to this we are currently on the path towards becoming a paperless department, with use of Chromebooks, iPads and electronic exercise books. Every teacher receives a laptop to support their planning and teaching.

Pupils are entered for AQA Mathematics GCSE. Our more able pupils have the opportunity to complete additional GCSEs in Statistics and Further Maths giving teachers at CFS a unique chance to teach these courses and widen their skill set.

The Role

The person appointed to this post will be expected to teach maths across all abilities from at least Years 7 to 11. They will also be expected to take a proactive role in the extra curricular life of the school.

The successful candidate will:

- be a well-qualified, enthusiastic graduate of maths, or complimentary subject
- be a highly-skilled and competent teacher who is energetic and totally committed to the ethos of the School
- readily establish excellent relationships with both staff and students
- have an up-to-date awareness of current issues relating to maths teaching, especially the new curriculum and GCSE requirements
- enjoy pioneering new developments in pedagogy
- embrace the use of new technologies in the classroom
- be skilled in behaviour for learning
- value creating an inspiring learning environment
- explore opportunities to further participation and achievement in their subject, eg debating, creative writing etc
- possess drive, expertise and enthusiasm
- be well-organised and disciplined when it comes to administrative duties
- possess an optimistic and resilient style when faced with pressure
- be able to communicate well with children and young people, having an understanding of safeguarding and promoting the welfare of young people

All teachers at CFS commit themselves to contribute fully to the ethos and life of the School in and outside the classroom.

CFS is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. In accordance with our Child Protection Policy we are unable to process applications without a fully completed application form. The post is exempt from the Rehabilitation of Offenders Act 1974. All convictions, cautions and bind-overs, including those regarded as 'spent' must be declared when applying. The applicant may post such a declaration in an envelope marked 'Private & confidential for the Principal'. The successful applicant must obtain List 99 clearance and DBS clearance at enhanced level.

Person Specification

The School will seek to identify these attributes through the recruitment and selection process of application, certification, interviews, professional references and observation.
