## Teacher of Sociology and / or Health and Social Care

**Part time** 0.59fte

To start: 1<sup>st</sup> January 2022

MPS/UPS

We wish to appoint a part-time Teacher of GCSE and A Level Sociology and/or Health and Social Care. The current postholder teaches both subjects. We would welcome applications to teach either subject or both.

GCSE Sociology and A Level Sociology are both well-established and popular subjects within the school. Students make excellent progress and achieve the highest examination grades. GCSE Sociology is taught from Year 9 as a three-year course. In most year groups there are two classes. At A Level there are two classes in both Year 12 and Year 13. For GCSE Sociology students follow the Eduqas syllabus whereas at A Level the AQA syllabus is taught. Both subjects are well resourced with a range of textbooks and online materials.

Health and Social Care is a double A Level-equivalent and follows the OCR Technical syllabus. The teaching is shared between three teachers. Experience of teaching this style of vocational qualification is desirable however an enthusiasm for the subject is key for this popular addition to the range of courses at Wymondham High Sixth Form.

For further information or informal discussion about this post, please contact Mr C. Witts, Leader of Social Sciences, via [wittsc@wh-at.net](mailto:wittsc@wh-at.net)
