An introduction to Nicholas Chamberlaine School

Thank you for your interest in becoming part of our school community.

Nicholas Chamberlaine School is a secondary school with VI Form provision in Bedworth, Warwickshire. We have been serving the community for over 60 years and are proud of the impact we are making on the lives of our young people.

In September 2013, we were delighted to join the Griffin Schools Trust and are now part of a family of schools with a distinctive identity. Our closest partner schools are Race Leys Junior School, Park Lane Primary School and Exhall Junior School, and we benefit from working together as a strong and supportive collegiate.

Nicholas Chamberlaine School is committed to providing an ambitious, inclusive and inspiring education for every student. We have high expectations for achievement, behaviour and personal development, underpinned by a strong sense of belonging and community. We recognise the diverse needs of our students and are committed to removing barriers to learning, raising aspirations and ensuring that every young person has the opportunity to succeed. To support this, Nicholas Chamberlaine School:

- raises aspirations, expectations and achievement for all students
- ensures students acquire the knowledge, skills and qualifications relevant to adult life and employment
- shows students how to think for themselves, to develop enquiring minds and become disciplined learners
- helps students to understand the world in which they live and their own responsibilities as members of our community and society
- broadens our students' horizons through a range of academic, creative, sporting and musical activities within and beyond the classroom.

We are passionate about educating young people through a well-rounded approach built on rich co-curricular programmes and high-quality pastoral care as well as an inspiring curriculum, expertly taught.

About the Department

We are a friendly, supportive and committed department that currently has six members of staff and is housed in a dedicated suite of rooms. The leadership structure includes an MFL Subject Leader and a Proud Traditions Coordinator, with TLR 3 roles available for projects linked to the school or department development planning.

All students study a language at GCSE – French is taught in Years 7-11 and from next year, Spanish will be taught in Years 7-9 with students preparing to enter the Spanish GCSE in 2026-27.

This is a fantastic opportunity to join the department as we are currently reviewing and developing our curriculum and are excited about moving towards delivering French and Spanish using the Dr Gianfranco Conti inspired EPI methodology in KS3.

At KS4 we use the Studio course book for French with a bank of other resources. Teachers have access to all the Pearson Active Learn resources with students able to access the digital book and other materials to develop their learning. The department is fully resourced with appropriate texts and ICT to support learning.

The MFL department fully supports the Wide Horizons agenda providing various extra – curricular activities designed to give students opportunities to broaden their experience of the world and the richness of education beyond the classroom. The department has a long history of organising residential visits to Northern France for students of all key stages and hopes to run a trip to Spain in the near future too.

How to Apply

NICHOLAS CHAMBERLAINE SCHOOL

We would love to show you the heart of Nicholas Chamberlaine School so that you can get a sense of how well matched you may be to our professional community as a school and as a Trust. Please look at our website (www.nicholaschamberlaine-gst.org) and explore the Trust website as fully as you can (www.griffinschoolstrust.org). You will see evidence of the shared life of the schools in the Trust in events such as the Science Symposium, the Arts Festival, the Sports Festival and Founders Day.

The Trust really is a family of schools which work closely together within and across phases and Geographical hubs. So in joining Nicholas Chamberlaine, you do have good relationships with local authority schools and projects but you also have strong working relationships with your peers in one secondary school in East London as well as day to day involvement with our two GST neighbour primaries, Race Leys and Park Lane, both examples of what a Griffin Great School looks and feels like. It is that journey to Griffin Great that informs our development planning.

Ofsted validates our progress within a defined national framework: it emphatically does not set our agenda.

Please read the attached Griffin Great descriptors very carefully because that is the culture and performance you will be helping us to build should you join us.

Applicants should complete the school's application form and provide a supporting statement of no more than two sides of A4 outlining their suitability for the role, relevant experience and how they would contribute to the continued development of Spanish at Nicholas Chamberlaine School.

References will be sought for shortlisted candidates prior to interview, in accordance with our safer recruitment procedures. As part of our safeguarding responsibilities, online searches may be carried out on shortlisted candidates
