Letter from John Vennart – Headteacher

Dear applicant,

Thank you for expressing an interest in a position at The Malling School. I hope this letter, along with the other documentation you find in the application pack and on our website, will encourage you to make an application.

It was a real privilege to be appointed as the new Headteacher of The Malling School in September 2018. Students, parents and staff are extremely proud of our school and the work that we do. The Malling School is a happy and caring place for young people to learn. We have fantastic facilities and an extremely talented team who are fully committed to our students. All our staff have the highest aspirations for our students and encourage them to have the confidence to believe in themselves.

We are fully committed to developing our staff at The Malling School. We have a very open and supportive strategy to improve teaching and learning. All teaching staff have regular developmental learning walks every term. Strengths and areas to develop are discussed in termly one to one meetings with line managers. We have no formal observations or grading of lessons and invest our training time into the long-term progress of all our teachers. Our strategy to improve outcomes for our students is not through short term unsustainable Y11 intervention but through continuing to improve our daily practice in every classroom for every year group. We aim to make every lesson count by challenging our students, planning carefully for misconceptions and teaching to the top.

We have a strong behaviour for learning policy at our school. All staff receive regular informal behaviour for learning training to ensure we are consistent in our application of the policy. Students are very clear around our high expectations of behaviour and attitude in every classroom. The key to the success of the policy is the proactive targeting of poor work ethic and low-level disruption by every teacher. Students that slow down the pace of learning are transferred by our senior leaders. All transfers from lessons are monitored and escalating sanctions and support are put in place for students that receive repeated transfers. We have an excellent behaviour hub that has been created to ensure that consistent support and sanctions are applied across all houses.

The leadership team ensures that all our improvement strategies are clearly communicated to staff, effectively piloted, evaluated and well thought through. Our key principle when introducing any new initiative is to ensure that there is no unnecessary workload and that it has a high impact on student progress. Staff and student well-being are extremely important to us at The Malling School and are a major part of our School Improvement Plan.

Our key work over the next two years is to improve outcomes of our students continuing to ensure that our school is a happy and caring place for young people to learn.

Please take some time to look at our website and get a feel for the kind of school we are, as we believe that fitting in with our philosophy is essential for you to be happy working at our school.

Thank you for taking an interest in our school and I hope that I have the opportunity to meet you soon.

Yours sincerely

John Vennart
Headteacher

The Malling School

A mixed 11-19 co-educational High School of 900 pupils serving the historic market town of West Malling and surrounding villages. The school is set in pleasant rural surroundings and has its own lake and extensive grounds. It was completely re-built in September 2007 and therefore has outstanding facilities.

West Malling is close to the county town of Maidstone and has excellent rail links to London and Ashford International (for the Continent).

This is an exciting time to be joining the staff of The Malling School.

Our school is increasingly becoming the first-choice school for parents. As a result, we are currently oversubscribed. We have robust behavioural systems and Developmental Learning Walks, rather than formal observations. All of which allow a teacher to flourish and do what they do best – teach!

The Malling School was graded 'Good' by Ofsted in May 2015 and many outstanding features were cited in the report.

We provide a very supportive environment in which staff can further develop their skills and we ensure every new member of staff has access to a trained coach. With close teams of teachers and non-teachers working together we take a collaborative approach to school improvement and have a shared aim of providing the very best education for our pupils.

We offer an extensive and individualised training programme tailored around training needs identified by our staff. We encourage staff to take calculated risks in striving to be the very best and will never stifle innovation. Our philosophy is one where leaders are trusted to lead and teachers trusted to teach.

Extract from Safeguarding Policy

Introduction and Ethos

The Malling School is a community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. The Malling School recognises our moral and statutory responsibility to safeguard and promote the welfare of all children with their best interests at the centre of our work.

The Malling School recognises the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

Our school core safeguarding principles are:

- That schools are an important part of the wider safeguarding system for children.
- It is a whole school responsibility to safeguard and promote the welfare of children as its paramount concern
- All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection
- All children have a right to be heard and to have their wishes and feelings taken into account
- All staff understand safe professional practice and adhere to our code of conduct and other associated policies
- All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance

There are four main elements to our safeguarding policy

- **Prevention** (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures);
- **Protection** (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns);
- **Support** (for all pupils, parents and staff, and where appropriate specific intervention for those who may be at risk of harm);
- **Working with parents and other agencies** (to ensure appropriate communications and actions are undertaken).

The procedures contained in this policy apply to all staff (including temporary staff and volunteers) and governors and are consistent with those of Kent Safeguarding Children Board (KSCB).
