April 2025

Dear Applicant,

Thank you for your interest in the position of Teacher of Technology at St Damian's RC Science College for one academic year. This is an excellent opportunity to become part of a great Technology department. This position is suitable for someone who would like to work in a very successful department and has the ability to teach a rich curriculum that will meet the needs of our great pupils. The governors and I are looking for an ambitious teacher who is driven by ensuring that pupils receive an outstanding education, and this will be reflected in pupil outcomes.

We have a very comprehensive CPD programme for all teachers, including excellent leadership development. This position is suitable for an ECT or a more established teacher.

We have achieved back-to-back Ofsted outstandings and back-to-back Catholic Inspection outstandings. We have won secondary school of the year several times and over the past few years we have been awarded a plethora of external awards which shows our commitment to developing the whole child. St Damian's is a wonderful place to work and as Headteacher there is no greater priority than to ensure staff are well looked after.
