## THE SCHOOL

# Everyone matters and every dream counts

We are proud of the high-quality education we offer at Ryburn Valley High School. We are a school of character, ensuring our students have opportunities to shine. We want them to be the best that they can be, taking risks and continually striving to develop and improve as young professionals. As Ofsted stated following our last inspection: "Pupils know the ethos of the school is based on 'everyone matters and every dream counts.' Leaders have fostered the values of kindness, honesty, respect and endeavour, which is brought to life by the everyday interactions of pupils and staff."

Ryburn is a school which has exceptionally high standards. Ryburn students work hard, get involved with the school community and "strive to excel". We want our students to leave school with bundles of new skills and knowledge, and of course great exam results. However, we also want them to develop and grow as young people, to leave our school with the attitudes and confidence to go out into the world and make a positive impact.

We live by the values of Kindness, Honesty, Respect and Endeavour. These values are on show in our lessons, in all our conversations and in the way both staff and students work as a team: Team Ryburn.

Ryburn Valley High School is a fantastic place to work and learn and we are always aiming to develop even further. The quality of every interaction we have with students and staff establishes a culture where everyone can 'strive to excel' and achieve great things.

We are looking for an extraordinary individual to join our school and really make a difference in the lives of our young people.

**Donna Watkins, HEAD OF SCHOOL**

*Ryburn Valley High School provides a strong, vibrant and welcoming community. Pupils swell with pride when they talk about their school. They told inspectors about the opportunities they get to develop their confidence and resilience.*

# When schools collaborate, incredible things happen.

Together Learning Trust is a thriving local family of schools. By this autumn we will comprise of three secondary schools, two school sixth forms, five primary schools and a special school, inspiring 5800 young people in Calderdale and Kirklees. We are driven by a shared commitment to providing magical learning experiences for all our children and a belief that all of them can achieve great things.

Exceptional achievement stems from developing world class teaching and learning. Creativity is the core of our values. Our staff are amazing, in both the relationships they forge and the incredible range of opportunities they make possible. We get great results, but we give and expect so much more. We are shaping a generation of future global citizens with the character they need to succeed; with the integrity and commitment to excellence that will enable them to thrive.

Together Learning Trust schools are wonderful places to work. We value and support our team across all our schools, and recognise the ideas, experience and expertise of our staff. Being part of the Trust opens up new opportunities for staff development. The Trust schools work closely together to identify and then implement the best school improvement strategies across its schools. Our aim is to grow great people and talent.

We cherish our staff, support their wellbeing and enable them to flourish. Being part of Together Learning Trust feels special due to the unique nature of the schools and the opportunities it brings for staff, students and communities to collaborate. For everyone involved in our Trust our mission is simple. To **Grow, Excel, and Learn Together.**

What could we do, together?

**DAVID LORD, CHIEF EXECUTIVE OFFICER**

*"I believe that the support that schools can provide each other cannot be underestimated. Being part of the Together Learning Trust enables our schools to continue to flourish and develop within a supportive school focused community, where the expertise of those who have a hands on understanding of our children will lead the way forward."*

## THE JOB

# Teacher of Technology

We are seeking to appoint an enthusiastic Teacher of Technology. The successful candidate will join a successful and motivated department which consists of 7 Technology specialists and 2 Technicians. We offer A-Level Product Design, GCSE Art and Textiles, GCSE Food and Nutrition, GCSE Technology and a Technical Award in Construction. Our department has state of the art CAD and CAM facilities including a 3D printer and laser cutter. We also have 3 dedicated workshops, a Textile and Food room and a purpose built Construction academy. It would be advantageous for the successful candidate to be able to teach CAD/CAM and Resistant Materials at key stage 3.

The development of teaching and learning is always our key priority as a department, and for the school as a whole. We are progressive, constantly striving to meet the varied needs of comprehensive pupils, alongside the dynamic demands of curriculum and seeking the most effective ways to teach the GCSE, Technical award and GCE specifications. We are a strong and encouraging team who meet regularly to discuss the development of teaching and learning, to share ideas and to support each other.

We encourage the enjoyment of Technology through the study of a wide range of interesting and challenging projects. The use of key terminology and the application of different technological advances is something we see as key to student academic achievement. As a department, we recognise that applying real world scenarios to design problems is important.

Students enjoy using the google classroom suite in lessons and for completing homework. It is important from a cultural capital perspective that we try and bring as much industrial knowledge into the classroom as possible to make links.

The Technology department always seeks opportunities to enhance student learning through educational visits to New Designers and Leeds University, extra-curricular clubs such as the CAD CAM club and Textiles and Food clubs. We get involved in many competitions, both within and beyond school and have had considerable successes. The department runs an eco team that combines members of the school council across year groups along with school ambassadors. We promote environmental responsibility throughout the schemes of work we teach.

Technology is popular amongst pupils, and enjoys high esteem within the school community. Exam results are very good at both GCSE and A level. We consider ourselves to be a strong department, and Ofsted agree.

Above all, this is a great place to work in a passionate, supportive and forward-looking team and in a subject which offers so much to inspire and improve the life chances of all our students.

**Oli Jefferson**

Head of Technology

### **What will you get in return?**

This is a fantastic opportunity to work as part of a passionate and friendly team under the direction and with the support of the Department Head's and Head of School at Ryburn Valley High School. Plus a range of financial and wellbeing benefits, plus excellent pension.

If our school sounds like a place in which you could really make a difference, then we'd love to hear from you.

## HOW TO APPLY

# Say yes to new adventures.

Could we be a good fit for each other? If you'd like a chat about the role, or have any questions, then we'd be delighted to hear from you. Please contact Carrie Burbidge our Personal Assistant to the Senior Leadership Team via [c.burbidge@ryburn.tlt.school](mailto:c.burbidge@ryburn.tlt.school)

If you're ready to apply, please complete our online application fully by clicking [here](#) before the deadline.

## SAFER RECRUITMENT

We are committed to safeguarding children, young people and vulnerable adults. All staff and volunteers are expected to behave in a way that supports this commitment and are subject to an enhanced DBS check. Please be aware that it is an offence to apply for the role if you are barred from engaging in regulated activity relevant to children. If you are shortlisted for interview, we will undertake an online public search in line with guidance from the Department for Education and Keeping Children Safe in Education 2024.
