### **Headteacher's Welcome**

Thank you for considering this post at our wonderful School. I hope the information provided gives you all you need to help you decide whether to apply for the post, if you require anything further or would like to arrange to visit the School to meet with me for a discussion or a tour please do not hesitate to contact the School via email at [admin@nelthorpe.org.uk](mailto:admin@nelthorpe.org.uk) or calling 01652 656551

### **Information about the post**

We are seeking to appoint a dynamic, enthusiastic and well-qualified teacher who will compliment and add to a dynamic, successful and supportive faculty to teach Technology across key stages 3 & 4. The post is full-time and is initially for 12-months fixed term from Easter 2023.

### **Our School**

Judged by Ofsted as Good, Sir John Nelthorpe School is a fully inclusive mixed 11-19 voluntary controlled comprehensive school in the heart of North Lincolnshire.

The 2022 GCSE results (albeit based on Centre Assessment Grades) demonstrated the continued commitment and effort undertaken by the students and staff, and of particular note was the number of pupils achieving a pass grade (grade 4) or higher in the academic group of subjects defined as the prestigious 'English Baccalaureate' (EBacc.). To achieve the EBacc, pupils must study English, Maths, Science, at least one Modern Foreign Language (French or German) and at least one Humanity subject (Geography or History). These results at Sir John Nelthorpe have improved year on year and Sir John Nelthorpe School has topped the County League Tables on numerous occasions in this measure, ranking first place for pupils achieving a standard pass (grade 4) or higher. Whilst comparisons for this are not possible this year, it remains our commitment to promote the English Baccalaureate and strive for the very best of outcomes for all individuals.

When considering the performance of pupils whose GCSE grades represent the culmination of 5 years' hard work at this School, the GCSE "Basics" measure (recognising pupils who achieve a pass in both English and Maths) saw 84% of pupils achieving the standard pass of grade 4 or better (2020 – 76%) with 50% obtaining a Grade 5 or above (2020 – 52%).

At A Level, the performance of students within the Brigg Sixth Form has been excellent with all students securing the grades required to be able to progress on to their chosen universities (the vast majority of these being 'Russell Group' universities) or employer and apprenticeship routes

### **We are looking for a colleague who:**

- consistently models excellent practice and has pupils' achievement and progress at the forefront of their teaching
- is an outstanding technology teacher at key stages 3 and 4, or who has the potential and desire to become so
- wants an exciting opportunity to work in a vibrant organisation that makes a difference to our young people's lives
- can make a significant positive contribution to this strong and successful faculty, and to the whole school.

**In return you will get:**

- The opportunity to teach well-behaved and motivated pupils
- A professionally stimulating and supportive working environment.
- Outstanding professional development with progression opportunities.
- A well-resourced and well managed faculty.

The post is suitable for experienced as well as newly and recently qualified teachers with excellent induction programmes available at all levels.

**Application Process:**

- Applicants are requested to complete the standard North Lincolnshire Council application form.

Please note we do not accept CV's

The current vacancy offers the successful candidate the opportunity to join Sir John Nelthorpe School at an exciting phase of its development. I look forward to receiving your application.

Yours sincerely

Mr R Biglands
