Teacher of Technology

Required: September 2022 (or as soon as possible)

Permanent, full time

MPS/UPS

Taverham is an excellent, 11-18 school with a caring, positive ethos, we seek to promote the development of students into resilient, independent young people, who are respectful and make a positive contribution to the wider community and beyond. The school was substantially redeveloped under the PFI in 2007 and we became an academy in April 2013; our facilities are first-class.

We are looking for a talented and enthusiastic professional to join our Design and Technology department. The successful candidate will teach Technology at KS3 and any or all of Design Technology, Engineering (including electronics) or Construction at KS4. If you have initiative, enthusiasm for learning, good educational qualifications and some experience in working with young people, we would like to meet you. The ideal candidate will have experience of teaching to KS5 (product design) and have confidence in teaching a broad range of ability.

We pride ourselves on the professional development we offer our staff. Our school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The appointment is subject to regulatory checks including an enhanced-level DBS check. We are an equal opportunities employer.
