

REDHILL SCHOOL

TEACHER OF MATHEMATICS

Salary: NQT/MPR/UPR

Permanent Contract

Required from Easter or September 2022

Redhill School is a successful 11-16 mixed non-selective school situated in Stourbridge in the West Midlands. OFSTED (Nov 2011) identified the school as Outstanding in all key areas and in March 2013 the school was awarded Teaching School status which is entirely in keeping with our commitment to developing the best practice in teaching and learning in our own school and the wider educational community.

The Mathematics Department at Redhill is a successful and high attaining department within the school. The subject team has created a culture of challenge and support that inspires pupils to flourish and succeed.

Required for Easter or September 2022

We are seeking to appoint an enthusiastic and inspiring teacher of Mathematics, who is both confident in their subject knowledge and able to motivate and enthuse students.

The candidate appointed will have the opportunity to play key roles in promoting the subject within the school and participate in wider professional development activities available through our Teaching School Alliance. This is an outstanding opportunity for either a newly qualified or more experienced teacher to join the Mathematics Department and make a difference.

Redhill offers:

- ⇒ An outstanding opportunity for a committed teacher to join an established and well resourced Mathematics Department
- ⇒ Outstanding leadership and teaching
- ⇒ An opportunity to experience excellence
- ⇒ A culture of engagement, challenge and support
- ⇒ Exceptional pupils and staff
- ⇒ Opportunities for continued professional development

The person Redhill is looking for will:

- ⇒ Have a passion for learning and teaching
- ⇒ Have the ability to teach Mathematics at KS3 and KS4
- ⇒ Be inspirational, innovative and committed to consistently delivering the highest quality of teaching.
- ⇒ Be passionate about differentiating so that every student is continually motivated and progressing to their full potential
