We place a high value on the personal development and professional learning for our staff and all teaching staff have reduced contact time accordingly. By being part of Oasis Community Learning, which has 52 academies nationally, you will benefit from a strong support network and partnership within the South Coast and South West regions. You will have many opportunities to develop and share best practice to drive continual improvement, including through regional improvement networks and access to a competitive CPD programme nationally.

We are committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and to undergo appropriate checks, including enhanced DBS checks and a willingness to demonstrate commitment to the values and behaviours which flow from the Oasis Community Learning ethos.
