Maternity Cover – Fixed Term Appointment **Maplefields Academy have vacancies for enthusiastic & highly** **motivated Primary or Secondary Teachers.** **(Please identify subject specialism in your application).**

Do you have patience and can you stay positive in the face of adversity? Can you empathise with the feelings of children and young people in crisis and help them reframe their thoughts and behaviours? Do you want to change lives?

Working with children who have Social, Emotional and Mental Health needs is as demanding as it is rewarding, and if challenge and continuous learning whet your appetite, then you have a great opportunity to gain fulfilment and progress in your professional development. A deep concern for and understanding of children and young people and a desire to lead and motivate staff will be essential. A commitment to safeguarding is also paramount. This is an exciting opportunity for a dynamic and inspirational individual to join our 'Outstanding' all through academy.

We are looking to recruit talented teachers to join us in delivering a broad and balanced curriculum. The nature of our school means that we tailor learning to the individual needs of our children and as such we seek out teachers who are creative, flexible and highly organised. Priorities for this appointment include the ability to teach across KS1 to KS5.

If you would like to know more about our school or have any questions about the role we encourage you to get in touch and come to meet us. You are very welcome to spend a day with us to learn more about the Academy and our students. We genuinely care about our staff, their well-being and their professional development: we are a happy team, committed to working collaboratively and sharing the very best practice.
