Teacher - Special Needs
Salary dependent upon qualifications and experience. Permanent post required September 2024

It is an exciting time to join our successful, growing and supportive trust with our sister special school opening in their brand new state of the art premises a short distance away in Alconbury Weald. The partnership will bring staff and our families a wealth of opportunities for CPD and the sharing of innovative good practice.

Spring Common Academy is an outstanding school and we are looking to recruit a teacher to enable us to maintain this high standard.

Our pupils with special needs and disabilities enjoy learning and would like a teacher to support them to achieve success both within the school and in their community. The school has very good facilities and the support of experienced and friendly teaching assistants who work as a class team.

ECTs are warmly welcome to apply and they will be strongly supported through Induction. Experience of Special Needs is desirable. This post is suitable for Teachers who would like to develop special school experience in their career.

All appointments are subject to satisfactory references and checks, (including an enhanced children and adults DBS check, On-line search in line with KSCIE '23, Barred List Check 99, Prohibition from Teaching (128 check) and health checks). The school has an Induction programme and genuine ongoing commitment of staff professional development.

The school is strongly committed to safeguarding and promoting the welfare of children and young people and expect staff to actively share this commitment.

For an application pack, including an application form, phone the office above or email Emma Luckett – eluckett@springcommon.cambs.sch.uk CVs are not accepted.
