Teacher - Special Needs with Art
Salary dependent upon qualifications and experience.
Permanent post required September 2021

This is an exciting opportunity to join our teaching team.

Spring Common Academy is an outstanding school and we are looking to recruit another teacher to enable us to maintain this high standard.

Our pupils with special needs and disabilities enjoy learning and would like a teacher who can support them to achieve success both within the school and in their community. The school has very good facilities and the support of experienced and friendly teaching assistants who work as a class team.

The successful candidate will be able to offer an Art specialism and deliver some specialist Art teaching. The school has a fully equipped Art room.

We will consider applications from teachers with primary or secondary experience or from ECTs (previously NQT) who will be supported through induction. Experience of special needs is desirable. The post is suitable for Teachers who would like to develop a special school experience in their career.

All appointments are subject to satisfactory references, health and DBS check. The school has an Induction programme and genuine ongoing commitment of staff professional development.

The school is committed to safeguarding and promoting the welfare of children and young people and expect staff to share this commitment.
