Do you want one of the best jobs in the world? This unique opportunity has arisen for talented and ambitious professionals to join our team here at Winhills. We believe that our job is to encourage children to form attitudes and develop characteristics of learning which will last throughout their lives.

Following our recent Ofsted inspection in October 2018 where we were awarded good in all areas, we now continue to make significant progress. "Pupils are curious and confident and know what it takes to be successful learners".

You will need to demonstrate that you are an effective classroom practitioner who has high expectations of behaviour, progress and attainment for all children. You will be expected to offer an ethos that nurtures children's interests and offers a wide range of educational opportunities to provide for both pupils' academic and broader development.

Desirable applicants should:

- have an uncompromising passion and enthusiasm for teaching and learning
- be an excellent classroom practitioner
- have high expectations of behaviour and achievement
- have a commitment to teamwork and a collegiate approach
- have the ability and determination to inspire and motivate children to achieve the best they can be.

We can offer you:

- amazing children, with a passion for learning and enthusiastic parents who enjoy participating in school life.
- a caring and supportive ethos where staff and children's well-being are a high priority.
- dedicated, experienced, and welcoming staff.

- a sense of fun and enjoyment in an environment where colleagues all work together and support each other.
- opportunities for high quality professional development.
