About Elsley Primary School

In recent years Elsley Primary School has doubled to 4-forms of entry. We have created a supportive and high-achieving culture, matched by modern, state-of-the-art buildings and facilities. Our school is situated in a highly urban area but the school itself is tucked away in a quiet residential setting with its own on-site farm and extensive grounds to support Outdoor Learning.

We are proud of the breadth of our curriculum and holistic education which is matched by strong academic achievements. Progress tends to be very strong from pupils' starting points.

We have a happy and diverse community of staff, pupils and their families. We pride ourselves on our nurturing culture for children and for staff. In June 2020 we were recognised with a Gold Award for supporting the physical and mental wellbeing of staff.

We have high expectations for pupil progress and outcomes, combined with creativity within our curriculum offer. Some of our more

unusual initiatives include an on-site farm and a whole-school residential curriculum. This starts by giving our youngest children the experience of a night-time walk and a campfire, leading through on-site camping under canvas and culminating in week-long trips away from school for the oldest children.

Our pupils face many challenges, including high levels of deprivation and associated difficulties. Significant numbers of pupils arrive mid-year and with little or no English. Our school has one of the highest mobility rates so our systems and staff training reflect these additional challenges as we collectively strive to overcome these barriers. Over the last few years, we set up and continue to run a weekly food bank for several of our families.

Our most recent Ofsted inspection in May 2022, confirmed the school is a good provider and the report reflects the school's many strengths.

Staff are empowered and improve their practice through an established coaching culture and there is no data-led performance management.

As well as working collaboratively in year-group teams, staff work in whole-school teams, leading curriculum areas, or areas of whole-school benefit or improvement. Currently Elsley offers the opportunity for teachers to apply for a fixed-term TLR 3 to take on additional responsibility in an area, or to put forward a proposal to lead a project to benefit children beyond their year group, or for the benefit of the whole school. When there is a sustained need for this leadership and evidence of leadership impact, a permanent TLR 2 is awarded.

The main opportunity to apply for these roles is at the end of the autumn term each year. Fixed term TLR3s are usually awarded to run from January to December. This timing provides scope for teachers who join Elsley in September to settle into the school and gain a deeper understanding of the context and leadership opportunities before applying for a TLR. The timing also helps provide continuity to projects and school improvement from one academic year into the next. The number of TLRs and value of each award is due to be reviewed to create further opportunities.
